PRESIDENT'S MESSAGE

DEANNA MANLEY

It doesn't seem possible that 2004 is coming to a close, but we've been busy and time flies when you're having fun. I hope everyone took an opportunity to participate in a club event this year and that you will get even more involved in 2005.

I want to thank the 2004 board and officers for their hard work and dedication to this chapter and the car collecting hobby. Without their leadership our chapter would not be as strong as it is today. I would still like to see chapter membership increase and participation in club events grow stronger as well. The board has talked at length about plans for 2005 and ways to serve the interest of club members. If any of you has an idea to share please talk to a board member.

Remember to vote and get your Holiday Party reservation in soon. Bring an auction item to the party along with food items for the church pantry and pay your 2005 dues.

Check the event calendar in the ECHO for January and join us for two great events. We are excited about the future and hope you are too. The first event of the year is January 8 and it's free. Let's have a good showing of Studebaker cars and trucks. See you there and have a Blessed and safe holiday season.

Speedily , Deanna

PACIFIC SOUTHWEST ZONE MEET - OCTOBER 22-24, 2004, MESA, AZ BY ROSALIE TORSKE

It was the culmination of months of work for a very motivated and resourceful Zone Meet Committee! And the results of their efforts were amazing! More than 100 vehicles shone in the sun at the Arizona Golf Resort, for judging or display. A record turnout of beautiful Studebakers, more vendors than we have seen and more than 300 people enjoyed the weekend. They came from every state in the Zone, from British Columbia, the East Coast, South Bend and many more areas of the country. The National SDC Officers and Board of Directors held their first ever Board Meeting at a Zone Meet. I could not attend due to my on site duties as Registration Chairman and Treasurer but I have heard that it was a very productive meeting.

Registration was open for 11 hours on Friday, and my helpers and I were very busy handing our pre-registration packets, cowboy hat goody bags, Mesa goody bags, selling shirts and raffle tickets, answering questions, handling walk-in registrants, etc, etc, etc,. The GCSC's Hospitality Room, known far and wide for its spread of goodies, opened Friday noon to a line of hungry participants waiting to grab a bite to eat, many of them after traveling hundreds of miles to attend. The tour to Boyce Thompson Arboretum left at 1:00 P.M. and many enjoyed that experience. The Silent Auction wares were on display, 38 of them, and drew many bidders for some extremely prized items. Friday evening, a great light dinner was served in the Hospitality Room, and then a crowd of happy attendees enjoyed the Tequila Welcome Reception in the courtyard nearby. Tequila punch, Corona beer, chips and salsa were consumed and there was a great lot of meeting, greeting and war stories being told.

Saturday, bright and early, the judges met to organize their big job of judging approximately 60 vehicles. They had their hands full with beautiful Studes of so many models, years and types to be viewed and lovingly critiqued. The Hospitality Room crew served breakfast and lunch to the judges, delivered beverages and served food to the vendors, as well. The vendors were busy and the displays of the 2005 Pacific Southwest Zone Meet's group from Nevada, the International Meet's group from Washington and the Arizona Avanti Owners Association drew lots of visitors and interest. Registration was busy and stayed open until almost noon to accommodate late arrivals. Then it was to work in other areas and getting ready for the banquet that evening.

The banquet room, so wonderfully decorated in the western theme, was full, with 240 in attendance for dinner, the room's capacity! Dinner was enjoyable with good dinner, good conversation, hearing from the SDC President, Colin Fort, VIPs from the Zone, etc. The Hillholders, appearing for the first and last time, entertained the group with their renditions of some especially appropriate western music. The GCSC's singing President, Deanna Manley, had put together an excellent group who were encouraged to go on the road. We were fortunate to be a part of their only public performance. Awards were given to the proud recipients, and the silent auction bidding winners were announced. It was an extremely busy and enjoyable day! The evening ended late and then it was time to prepare for Sunday's activities.

Sunday morning, the hospitality room was open very early and many people went down the road on the Tortilla Flat/Goldfield Mine Ghost Town tour. Glen and I headed home to Tucson, tired but pleased with the results of ours and all the other hard-working people who helped ensure the success of the 2004 Pacific Southwest Zone Meet - Out West Once More - in Mesa, Arizona!

Reprinted/edited from the November/December, 2004 issue of The Copper Starlight, Rosalie Torske, editor.

Found in the Hospitality Room - Merchandise purchased from one of the vendors was found in the hospitality room during the Zone Meet. If you are the person who left an item bought Friday or Saturday please contact Chris Collins at 602-995-5311 or cstude1@cox.net and identify to

Out West Once More in 2004!

By Erica Ball

Here are a few more tidbits recounting a most excellent Studebaker adventure following the gala awards banquet the night before. Early Sunday morning, about 5 AM, the hospitality room opened to provide coffee and light breakfast fare for those trying to get an early start heading home! Talk about hospitable Studebaker friends.

Fred, Jeff and I, along with our son Dan and family, decided to join the tour offered by our Zone Meet hosts. Around 9 A.M. we lined up with a whole bunch of Stude companions, eager to head into the hills. Eleven Studebakers formed the convoy. With the '60 Lark convertible's top down, we had three excited grandchildren in the back seat and enjoyed the magnificent landscape along the way. The nifty 50's tunes added to the atmosphere, too!

Soon, Tortilla Flat came into view and we all piled out to check out the surroundings. The weather was absolutely perfect, making it an enjoyable stop. Time for pictures and learning facts and fiction about the "Lost Dutchman's Gold". Did you know the old feller was, among other things, a habitual liar?!?

Next came Goldfield Ghost Town with the Superstition Mountains looming in the background. We saw the spectacle of a gunfight, Hollywood version and real Old West version! There was a chance to ride the train and, of course, an opportunity to support the local gift shops and ever-present food establishments. We wandered around for quite some time with all our Stude pals, just savoring a pleasant Sunday under a blue sky. The day went by way too fast. Soon it was time to say good bye to friends and conclude another marvelous Pacific Southwest Zone Meet.

It is always a pleasure to observe the dedicated teamwork and warm hospitality extended by a host chapter time and time again. The Grand Canyon Chapter most certainly went above and beyond to show us an excellent weekend. It is, without exception, time well spent with the many friends within the Studebaker Drivers Club.

Edited from the December, 2004 issue of the Stude U, newsletter of the Wasatch Mountain Chapter, Stefanie Anderson, editor.

"I want to give the Grand Canyon Chapter of the SDC a big THANK YOU for hosting a super great PSW Zone Meet. We all had a fantastic time." Harvey Simons, President of the Wasatch Mountain Chapter

MORE MEET COMMENTS

CONTRIBUTED BY VARIOUS ATTENDEES

"I had a wonderful time. They did a good job. The weather cooperated. The food was great. The Hospitality suite was very well done. I enjoyed getting to know our members better at the Margarita Party." Lillian Tonrich

"The setting, weather and fellowship was great! Of course, sales can always be better but Mesa was a great weekend. The swap meet support people were wonderful. How many times have you seen vendors receiving a free lunch from the Host Chapter? Quite a surprise! The Arizona people were nothing short of Fantastic! For this vendor, it was definitely a 'thumb's up'! Don Cox

"The Arizona chapters really went all out and outdid themselves. They thought of all details. I liked the cowboy hat 'goodie bag' that included fruit and snacks. The resort and the rooms were wonderful. I've never seen a hospitality room with so much food." Barbara Polanco

"The caravan was a lot of fun. We really enjoyed everything. The Hospitality Suite was great. Everything was so well organized." Jeanne Ertel

"The meet was excellent - great location and accommodations. I enjoyed the great turnout of cars, especially the pre-war cars. These Arizona folks were extremely well organized. That takes a lot of time and energy and it is a lot of work." Stan Haveriland

I have attached the best shots from our entry in the parade. We had a great time! Sure glad that Richard and Claudia were there. I have lost track of how many kids were on Toto but it was at least 26! The kids in red shirts, 10 of them I think, were a kids choir from the neighborhood called the Music Makers. The rest were friends from the neighborhood around the office.

TECHNICAL INFORMATION

HEATER CONTROL VALVE REBUILDING BY JIM GEARY

Stop that leak into the passenger compartment. Check your valve before sending it for repair. Close the valve and blow through one of the hose pipes on the valve. If there is a lot of air, the valve is not rebuildable. With the valve closed there should be no, or very little, air passing through. The external seal for the plunger is replaced and made to look new again. These valves are no longer available from any source. If you have any extra valves, Jim will do some rebuilding and trading to get cores.

Repair and return shipping is \$65.00. Contact Jim at 314 Rosewood Rd, Goldsboro, NC 27530 or 919-734-7755.
