PRESIDENTS MESSAGE BY DEANNA MANLEY

Well 2005 is off to a great start as evidenced by the gathering we had at the Arizona Golf Resort on January 22. Great weather, good friends and oh yes Studebakers!

We have many opportunities this year to drive and show our cars and support the SDC as well as our own chapter. Our goal will be to increase membership to 150 and participate in local and national shows. We have many events coming this spring before the weather heats up, starting with a February drive to Wickenburg and the AAHC show at Sanderson Ford. Check for details in this issue of the ECHO and sign up.

Be sure to attend Chapter meetings whenever possible and be a part of the decision making process including how to support the new Studebaker Museum in South Bend. Then in March we host the March Madness and gather with Studebakers from all over Arizona in a relaxed day of picnicking and informal showing. If you haven't participated in this show you've missed out. There are many more events on the calendar including the International Show in Spokane which would be a great drive in August and the PSW Zone Meet in Reno in September. So what are you waiting for ? Tune-up, polish-up and saddle -up that Stude and let's hit the road.

Thank you to all the members who participated in the 7th Annual ACC Motor sports Day. We had a great showing of Studebaker cars and trucks and I hope we can attend next year with an even larger contingent. Attending on Jan. 8 were Bill Lynch, Harold and Deanna Manley, Dick Eichof, Chuck and Chris Collins, Scott Grainger, Denny and Jan Lockmon, Dennis Lynde and George Gezelius. Also showing cars were Al and Anna Riedel. This is a great free all make show, and a good way to give our cars and club exposure

Speedily, Deanna

JANUARY MEETING ENJOYED BY MANY

BY RICHARD DORMOIS

Studebaker friends from eleven states and provinces enjoyed fine weather, beautiful Studebakers, great food and wonderful fellowship to kick off what promises to be a positive year for the Grand Canyon State Chapter. Seventy-nine members and guests joined us for our buffet luncheon at the Arizona Golf Resort and Conference Center in Mesa, Saturday, 22 January. They came from British Columbia, Michigan, Wisconsin, North Dakota, Indiana, Nebraska, California, Washington, Illinois, Minnesota and Arizona. President Deanna Manley conducted the business meeting followed by International Meet Committee Chairman Ed Reynolds who shared plans for our Studebaker International meets. Pacific Southwest Zone Coordinator Lloyd Prather showed a video on the new Studebaker National Museum and SDC Secretary Jan Lockmon made a presentation on the new Studebaker National Foundation followed by the Studebaker Drivers Club President Colin Fort who brought us up to date on what is happening at the national level. National Director Carl Thomason made a pitch for the upcoming Orphan Car Show and Swap Meet sponsored by the Beach Cities Inland Empire Chapter.

I had the pleasure of handing out awards to drivers of twelve of the twenty-four Studebakers we enjoyed at the Show and Shine. Skip Hicok from White Lake, Michigan earned the "Long Distance Driven" trophy for driving his 1938 Studebaker Coupe Express 1987 miles to the meeting. Although we don't give a hard luck award at our January Meeting, one was earned by Julie Sackett and Lester Jackson as their 1933 Pierce Arrow Club Brougham simply quit just a few blocks from the Arizona Golf Resort and had to be towed back to Scottsdale by AAA. Thank you so much for trying to join us Saturday.

People's Choice judging was strong and each entry received at least one vote. Those receiving the bronze eagle for gaining the most People's Choice ballots are Dick Eichof, 1947 M5 pick up; Deanna Manley, 1932 Commander; Pres Connolly, 1957 Silver Hawk, George Van Zee and Harold Manley, 1955 President Speedster; Lynda and Eddie Caviar, 1964 GT Hawk; Bob Burk, 1924 Speedster; Rachel and Chris Eastburn, 1963 Lark; Jan and Denny Lockmon, 1964 Avanti; Claudia Robinette, 1960 Lark; Linda Saar and Dennis Lynde, 1963 GT Hawk; John and Lorilee Kroulik, 1963 GT Hawk.

We wish to express our sincere appreciation for those who sponsored awards for our Show and Shine.

LETTER TO THE EDITOR FROM GLEN & ROSALIE TORSKE

To all of our Arizona SDC friends:

By the time you read this, we will be in our new home in Sherwood, Arkansas. After living 30 years on the desert, we have made a huge change in our lives. We saw the need to gain a new perspective after altering our lives to care for family members over the years in Arizona. We joined the GCSC in 1974, after joining SDC in New York State in 1972. We later also joined the Southern Arizona Chapter, and we have been active ever since and glad of it. **WE WILL MISS OUR ARIZONA FRIENDS IMMENSELY**, and our lives are enriched by knowing all of you!

Love, Glen and Rosalie Torske

TECH TIP OFFERED BY RUTH CUSHING, EDITOR

INSTALLING FORD DISC BRAKES ON STUDEBAKERS

Over the years, numerous Stude owners have installed Brand X disc brakes with (apparently) a minimum of trouble. While they are not exactly a bolt-on in the true sense of the word modifications are (or seem to be) minor. This conversion was mentioned several times in the material I received from New Zealand — usually concerning late sixties Australian Ford products. No problems mentioned.

Ed Werrick made a conversion of this nature on his '51 some time back and made the following comments on the subject:

Installing 1968 Mustang disc brakes is almost a bolt-on except for the caliper brackets. The Mustang rotors take the same bearings as the Stude and the Stude seal will fit the Mustang rotor. The only major difference was the length of the spindle. The Stude spindle is about 1/2 inch longer and I adjusted that by using a sleeve and extending the dust cap. Once I had the rotors mounted, I used the spindle as a fixture by clamping the caliper to the rotor. I cut a disc out of 1/2 inch plate which bolted to the spindle and cleared the rotor by about an eighth inch.

I then made a set of mountain ears and bolted them to the calipers and then welded them to the mounting disc. When this was done, I took the caliper bracket off, put in some gussets and welded everything solid. When I mounted the brakes on the car, the only problem I encountered was that I had to trim the rear corners of the lower control arms to clear the caliper brackets. I did make one mistake on this operation — I mounted the calipers upside down. This means that to bleed the brakes, I have to remove the calipers and shim between the pads. As these disc brakes require a minimum of service, this is no big deal.

ACC MOTORSPORTS DAY

By CHRIS COLLINS

A wide range of motor vehicles were represented at the annual Motorsports Day hosted by the Arizona Community Church in Tempe on January 8th. Deanna and Harold Manley, who are members of the church, invited Chapter members to display their Studebakers at the event for which the organizers do not charge an entry fee and also provide a free lunch to entrants. The day was cloudy and threatening rain during the show hours but nary a drop fell and it turned out to be nice enough for lots of outdoor visiting and tire kicking.

Members showing Studes were Harold & Deanna Manley and George & Carol Van Zee, 1932 Commander and 1955 Speedster; Scott Grainger, 1946 M16; Dick Eichof, 1947 M5; Dennis Lynde, 1963 GT Hawk; Ron & Sherry Watson, 1931 Dictator; Denny & Jan Lockmon, 1953 Champion; Bill Lynch, 1973 Avanti II; and Chuck & Chris Collins, 1963 Avanti. Other members in brand xes included George Gezelius, 1979 Ford Station Wagon and Al & Ann Riedel. In addition, there were two other Studes shown by non-Chapter members - George Sanders, 1942 Commander and Pam Con-tes, 1965 Commander. Other members enjoying the show were Willard Pike, Claudia Robinette and Jon & Marisa Carter and daughters (with a 1972 Matador station wagon).

Thanks to Deanna and Harold for the opportunity to show off our Studes at a great gathering and here's hoping we can do it again.

SAC ANNUAL BANQUET

BY CHRIS COLLINS

As is the case each year, the Southern Arizona Chapter's annual banquet at Tanque Verde Guest Ranch was very enjoyable because of the great food and wonderful desert setting. After one of the best buffet meals one can eat in Arizona, attendees adjourned to a nearby room for a meeting where new officers for 2005-2006 were elected. Congratulations to Randy Goble, president; Chris Lillie, tourmaster and vice president; Maggie Wheeler, secretary; Deb Crooks, treasurer; Bruce Sandburg, historian; and Donna Goble, membership.

Then drawings for dues and dinner reimbursements, 50/50 and cash door prizes were held followed by the Chapter's main fund-raiser, an auction featuring all Studebaker related items. Richard Dormois assisted Carlyle and Lynda Gallo-way in the auctioneering duties. In addition to Richard, other GCS Chapter members from the Valley attending were Chris & Rachel Eastburn (1963 Lark), Claudia Robinette, Denny & Jan Lockmon and Chuck & Chris Collins.

NATIONAL MUSEUM NEWS

The National Studebaker Museum is now a reality. There will be an accounting of all the clubs' donations, including ours. We have donated a good deal of money to the Museum in the past. As soon as we receive the accounting four our club new donation possibilities will be discussed.
