## **PRESIDENT'S MESSAGE BY DEANNA MANLEY**

March is over and so is a very successful March Madness Show. Thanks go to John and Lorilee Kroulik and Chris and Rachel Eastburn for a great job organizing and carrying out the event. I'd also like to thank everyone who helped in any way planning or working the day of the show. The club is successful because of people like you who dedicate time and energy to events like this. Our chapter is growing because prospective members are impressed by the variety of cars and the pride of ownership shown every time we gather together. It's great to be able to collect cars, preserve history and share it with the community all at the same time.

One of the other ways we can preserve history is by supporting the Studebaker Museum. At the April 16 meeting we will show the video and talk about our part in the project. Don't miss the chance to learn more and help us decide how to participate in the completion of this ambitious endeavor.

April 30 will be the Economy Run to Gold King Mine in Jerome. Tune up the Stude and come along. The weather is beautiful let's enjoy it before the summer heat. See you soon.

Speedily, Deanna

## **FIRST COME FIRST SERVED**

# **MARCH MADNESS—STUDEBAKER STYLE**

## **BY**

## **CHRIS COLLINS**

**Kudos to Chris and Rachel Eastburn and John and Lorilee Kroulik for organizing a very enjoyable All-Arizona Studebaker Gathering - March Madness - on Saturday, March 26th at Steele Indian School Park. The park was a wonderful venue for the event and thanks to Scott Grainger who arrived when the park opened at 6:00 am to redirect non-Studebaker traffic, we were able to have a parking lot all to ourselves. The non-official count of vehicles was 50 Studebakers, Avantis and a Pierce Arrow with a few more spotted in other parking lots throughout the park. Many admirers from the community were seen wandering among the cars admiring the styling and remembering the Studebakers from their pasts. During the late morning and early afternoon, the members who sponsored fun judging awards were doing their jobs and asking drivers to blow their car horns and peeking into engine compartments and interiors.**

**Adding to the festivities was a great raffle with over twenty items donated by Studebaker vendors and local companies. In addition, the Baranys and Krouliks each donated an item for a silent auction. After all the raffle items had been given out and the auction results tallied, the fun judging judges made their presentations. The awards, sponsors and recipients are listed below.**

**Clean Pedal Award sponsored by Claudia Robinette and awarded to Bill Cervini - 1964 Avanti R2**

**Clean Engine Award sponsored by Richard Dormois and awarded to Dick Eichof - 1947 M5**

**Best Four Door sponsored by Chuck & Chris Collins, judged by Bill & Cheryl Simmons and awarded to Harold & Deanna Manley - 1932 Commander**

**Best Working Clock sponsored by Steve Fein and awarded to George & Carol Van Zee - 1955 Speedster**

**Best Hard Top sponsored by Gary & Sandie Keating and awarded to Dennis Lynde & Linda Saar - 1963 GT Hawk**

**Biggest Wheels sponsored by George Gezelius and awarded to Scott Grainger - 1946 M16**

**Best Avanti sponsored by Mary Powell-McConnell, judged by Chuck Stanford and awarded to Bill & Cheryl Simmons - 1963 Avanti R2**

**Best Horn sponsored by Eddy & Lynda Caviar and awarded to John Kemper - 1958 Hawk**

**"Just Cause It's Neat" Award sponsored by Denny & Jan Lockmon and awarded to Skip & Linda Hickok - 1938 Coupe Express**

**The sponsors came up with some very creative awards and are to be thanked for helping make the event fun and memorable. Thanks also to Dennis Lynde and Linda Saar for the "Keys Have Heart" medallions, to all the helpers, to those who donated raffle items and to everyone who came to March Madness. Hope you had a good time and that we'll see you next year when the Southern Arizona Chapter hosts the annual gathering.**

**Thanks to the Arizona Avanti Owner's Association for their participation at the meet.**

## **Letter to the Chapter**

**Thanks to all the Grand Canyon State Chapter members for the generous donation for our 2005 meet. We will put the money towards awards for the 2005 Pacific Southwest Zone Meet as stated in your letter.**

**Regards,

## Buddy Holly and Studebakers?

Car clubs have been invited to experience an evening of fine dining and professional entertainment when **Buddy, the musical**, comes to the **Broadway Palm Dinner Theatre** from **April 14 - June 4**. The theatre is offering special rates for groups of 20 or more club members along with the opportunity to have a car show in the parking lot. The club is welcomed from the stage before the show begins and featured with signage the night of the show.

For those not familiar with the **Broadway Palm Dinner Theatre**, it presents full length Broadway productions featuring professional actors and musicians. The buffet dinner includes five entree items, salad bar, coffee, tea, iced tea, lemonade and a lavish dessert selection. It offers matinee, evening and Sunday twilight performances. Matinee times are 11:45 am for the buffet with a 1:15 pm show; evening show times are 6:00 pm buffet and 8:00 pm show; and Sunday twilight times are 5:30 pm buffet and 7:00 pm show. **Buddy, the musical**, runs about two hours and features over twenty of **Buddy Holly's** greatest hits.

To participate the Chapter would need a commitment of 20 or more members and make a \$100.00 deposit which is applied to the dinner charge. Final payment is due two weeks prior to the performance date. A complimentary ticket is offered for every twenty-first person. The group discounts are as follows -

Saturday evening performances	\$45.00 per person

### NEW OWNER

Just recently I have taken over Ted Harbit's parts business. As a way of getting the word out Ted has written a letter explaining the change. If you could and have the space in your chapter newsletter, we would appreciate you printing the attached letter.

Thank You  
 Phil Harris  
 Fairborn Studebaker  
 4300 State Route 235  
 Fairborn, Ohio 45324  
 937-878-1576

Dear Customers and Friends,

I am pleased to announce Phil Harris of Fairborn, Ohio, has taken over our parts business.

We have known Phil for about 40 years, as we first met at the NHRA Nationals in the 60's. Phil was also running a 51 Starlight Coupe at the time. He was a good friend and gentleman back then and has continued to be all these years. He teamed up with Malcolm Berry and they campaigned a 63 R2 Lark Wagonaire for a couple years. Malcolm still has the Wagon which now sports a five speed transmission.

Phil is a decent, honest, knowledgeable Studebaker enthusiast. He knows what he is doing business-wise. As some of you may know, he has been repairing door hinges for some time. He will be a good vendor and a credit to the Studebaker hobby. You should see the big Studebaker truck he has restored. It is just gorgeous. He has a beautiful Avanti too, and several other Stude projects.

For all you Studebaker people that have blessed Mary Ann and me with your parts purchases over the years, we thank you. We hope you are as pleased with us as we are with you. There comes a time when we need to evaluate some things and it is painfully obvious that if we plan to accomplish some of the things we plan to do, we better do it.

I ask all our customers to please give Phil a chance and contact him for any future parts you need. You can contact him at 4300 ST RT 235 Fairborn, Ohio 45324 or phone 937-878-1576 or email stude6@yahoo.com

# **REMEMBERING LEE AND SHIRLEY**

## **BY CHRIS COLLINS**

### **FOLLOWED BY AN ARTICLE PREVIOUSLY CONTRIBUTED BY LEE RICHARDSON**

The Grand Canyon Chapter extends condolences to Eric Richardson and his family. Following is a tribute and an article Lee originally wrote. I hope you enjoy it.

Lee and Shirley were active in Chapter activities for several years after they joined in 1995 and attended many car shows over the years in one or the other of their many Studebakers. While reading an announcement in the Arizona Republic's car event section in early March about the annual clothing- optional car show at the Shangra La Nudist Resort I remembered that Lee had written an article about the show he and Shirley attended at the resort. It was not a Chapter event but Lee and Shirley were adventuresome and went on a whim to see what it was all about. Here is Lee's story from the March, 1999 ECHO.

## **Buff and Shine**

### **by Lee Richardson**

It seems that a car show is a car show no matter where it is held. Shirley, her son and I went to Shangra La, a nudist resort located 35 miles north on I-17 at New River, on Saturday, February 13th for a car show.

Upon arrival we were greeted with smiling faces and not much more since some were dressed and some were not, nudism didn't seem to matter. After parking our Stude we walked down to pay our fee for the show and receive a t-shirt and dash plaque. By the time we got back to the car Shirley's color had returned and from then on it was just a car show.

At any given time there were 25 to 35 cars ranging from a very nice 1933 Dodge 4 door to a 1999 Chrysler convertible. There was a 1935 Auburn that had been completely redone; it was nice. Our Studebaker was the only Stude at the show.

It was a very quiet, peaceful and low key event. You could hear the birds in the trees and the music was held at a reasonable level. The organizers had drawings for three nice prizes and then a 50/50 drawing. Needless to say, we didn't win anything but that was all right, we totally enjoyed ourselves.

## **Fun in the Sun**

### **By Chris Collins**

The weather was beautiful for the 2005 Fun in the Sun event hosted by the Southern Nevada and Zia Chapters at the River Palms Resort Casino in Laughlin, March 11-13. About 40 Studebakers and Packards along with a smattering of other orphans graced the back lot of the resort Friday and Saturday. A number of hotel guests and local residents enjoyed viewing them during the weekend and many favorable comments were heard by the Studebaker drivers from Arizona, Nevada, New Mexico, California and Utah.

Arizona chapter members and friends who displayed Studebakers were John Verrill, 1959 Silver Hawk; Dana Kocher, 1956 Sedan; Bruce Sandburg and Delores Shurtz, 1956 President; Craig Watts, 1963 Wagonaire; Chuck and Chris Collins, 1966 Cruiser; and Skip and Linda Hickok, 1938 Coupe Express. Others from the Grand Canyon State and Southern Arizona Chapters attending were Dick and Mary Beth Eichof, Richard Dormois, Claudia Robinette, Steve and Vicki Piper, Harlow and Frieda Vindedahl, Chuck and Louise Stanford, Bruce and Maggie Wheeler, Lew Dandurand, Keith Muske, Al Riedel, Denny and Jan Lockmon, Dick and Jo Kaufman and John Agee.

# SNM DONOR RECOGNITION OPPORTUNITES CONTRIBUTED BY CHRIS COLLINS

At the February meeting, members approved adding to the Chapter's past donations to achieve the \$10,000.00 gifting level for the Studebaker National Museum's building fund. Now, the Chapter has the opportunity to receive name recognition on a plaque or wall in the new museum. At the April meeting the members will be able to choose where we would like to be recognized from the following list of opportunities -

- \* \$10,000 Corridor
- \* \$5,000 Drinking Fountain
- \* \$5,000 Flagpole
- \* \$5,000 Interior Decorative Murals (Different by Design, Brothers, Post Office)
- \* \$5,000 Building Awnings
- \* \$3,000 Benches
- \* \$2,500 Interior Signage
- \* \$2,500 Street Banner

Plan to attend the April meeting and help make a choice for recognizing our Chapter's donation. A video presentation of the Museum's "History in the Making" Capital Campaign will be shown during the meeting.

The great looking 2004 Zone Meet tee and polo shirts are available for the discounted price of \$7.00 for a t-shirt and \$14.00 for a polo shirt. You can purchase a shirt at the January meeting or by sending a check for \$7.00 or \$14.00 plus \$2.00 for shipping to Chuck Collins, GCSC Treasurer, 2410 W. Freeway Lane, Phoenix, AZ 85021. Include a note indicating size (M, L, XL, XXL) and color (tan or white).

If the color you want is no longer available the other color will be sent. You will be notified if the size you require is not available. In addition to several M, L, XL, XXL tee or polo shirts in white or tan, there are two small t-shirts in tan and one small in white. There are, however, no XL polo shirts available in either color.

## TECH TIP OFFERED BY LARRY CUSHING

It seems people are always adding "stuff" to our favorite brand car. "stuff" is usually held in place by A.. duct tape or B. screws. Tape removal is self evident. Right?

Screw holes can be bondoed over, but will eventually crack out after painting. The correct and permanent way to repair screw holes is by welding.

The tip is to countersink the hole giving a wider, slanted surface to start the weld bead.

# LETTER TO THE EDITOR FROM BILL MCGUIRE

Folks:

My apologies for missing the dues deadline. It's been a busy time; the check is enclosed.

To keep my records updated, please note that my '65 Cruiser was sold early this month. The new buyer paid \$4,950 for a low mileage (52,300 miles), good condition and complete/all original car. Once the transaction was done, he popped the key into the ignition, started it up and drove straight to Huntington Beach, CA on a beautiful sunny Sunday afternoon. Selling price included a one year membership in the Studebaker Drivers Club.

I'll be back into the Studebaker fold shortly as a pick up truck is calling! Thanks again for all the work put into the ECHO and other activities.

Signed: Bill McGuire

Editor's Note: Bill's phone number is 480-585-6966 if you know of a pick up for sale.
