SOUTH BEND SWAP MEET

PRESIDENT'S MESSAGE BY DEANNA MANLEY

Happy Summer everyone. We take a break from regular meetings for three months, but we never have to take a break from enjoying our Studes. On June 18 we will meet at Organ Stop Pizza for a Father's Day celebration. Bring your Dad and your old car, even if it isn't a Stude. Details are in the event section.

In August many will be traveling to Spokane for the International. I hope to see a good contingent from our chapter. Then in September the PSW Zone Meet is in Reno and it sounds like a great time will be had.

I'm sure there are many other opportunities that we may have overlooked. You can even hop in the car and take a drive to one of the Saturday night shows. Whatever you do drive safe and have a wonderful time. See you around and if you have any questions about events just call me.

Speedily, Deanna

SOUTH BEND SWAP MEET & TOUR OF NEW STUDEBAKER MUSEUM BY STEVE FEIN

On May 6 & 7 Richard Dormois & Steve Fein made their annual trip to South Bend. This year in addition to the Swap Meet and car show at the fairgrounds a tour of the new Studebaker Museum was available.

Friday started out with a trip to the swap meet at the 4-H fairgrounds to check out the many Studebaker parts being offered for sale by a large group of vendors. After checking out the items that were (or may be) needed we went to SASCO for an additional purchasing opportunity at the SASCO store and the swapmeet in the rear of the building.

The modified Chrysler convertible that was to be a 2005 Golden Hawk was on display. (this is the car that was shown in the last issue of Turning Wheels). The workmanship and integration of the Golden Hawk grill & front end and rear end restyling was excellent.

After the SASCO visit we went to Tippecanoe Place for a delicious lunch at the former Studebaker mansion.

After lunch it was time for the New Museum Preview tour. After putting on the required hard hats (because this is still under construction) we entered the building. There are 2 floors plus a basement that are very well planned. Besides the regular display areas there will be a section of lifts so that vehicles not presently on display will still be able to be seen when a request is made. The museum is expected to open in October and it will be a terrific improvement over the present museum.

Friday evenings event at the Studebaker museum was a very interesting talk and slide show by Richard Quinn on Studebaker history.

Saturday started with a trip to the fairgrounds for another look at the flea market and a car show consisting of many good looking Studebakers and other brands.

Around 1 p.m. it was time to drive back to Chicago for our evening flight home.

This was a very enjoyable weekend and next year it will be even better with the new museum open.

ARIZONA FOLKS ENJOY SOUTH BEND STUDEBAKER EVENTS by RICHARD DORMOIS

Grand Canyon State Chapter members David Miller, Steve Fein, Denny Lockmon and Richard Dormois enjoyed great weather, old friends, two wonderful Studebaker swap meets, a great all breed car show, the first official "Hard Hat Studebaker National Museum Tour", an interesting Studebaker lecture by Richard Quinn and South Bend sightseeing May 6 and 7.

Here's a question: 2010 International Meet in Phoenix, AZ scheduled for October. Fact, Fantasy, or what is your opinion? Feedback at meetings or call an officer.

Pocket Watch Collecting - The Studebaker

Contributed by Jeff Rice

Pocket watch collecting offers many sub-categories to embark on. Some Notre Dame fans and Studebaker car fans are avid collectors of the Studebaker watch, made in South Bend, Indiana, by the same company that made the cars. (Today, the company is called South Bend.)

Eric Engh (co-owner of the website www.oldwatch.com, the world's largest seller of pocket watches on the internet) can't keep a Studebaker on his website for more than 48 hours before it sells, he says. Generally, Studebakers sell in the neighborhood of \$1,200 to \$1,500, and the price keeps going up. One reason: There are only about 3,000 in existence.

Engh cautions the novice about the difference between THE Studebaker and a Studebaker. South Bend printed Studebaker on the faces of many watches. Even though most people shy away from opening the case for fear of harming the watch, inside is where you can make sure. The words The Studebaker are on the movement of the genuine article. If it says, Studebaker or South Bend, it isn't The Studebaker, and is worth considerably less. "Plain" Studebakers are good watches, but they are worth usually in the neighborhood of \$495. Don't get caught paying The Studebaker price for a Studebaker.

THE GREAT RACE

STUDEBAKERS WILL COMPETE

BY LARRY SWANSON

Larry Swanson, Publications Director for the *TURNING WHEELS* sent a letter to me, as editor of the *ECHO* as well as the other editors. Part of it addresses attendance to the 2005 International Meet in Spokane and the Editors Meeting scheduled for 10AM on Tuesday, August 16, 2005. This meeting includes the announcement of awards for newsletters this year.

He also mentioned that in the Great Race this year, an event he has personally participated in 6 years out of the 22 it has been held will have three Studebakers in it. He, unfortunately, is not one of them.

The Great Race 2005 goes from Washington DC to Tacoma, Washington during the last week of June and the first week of July. Those participating this year are:

Car 9	"The Spirit of America" Dennis Barfield, driver	1916 Studebaker Racer Bill Schaffer, navigator
Car 31	"Daughters Dream" Suzanne Harris, driver	1931 Studebaker President Allen Laughon, navigator
Car 82	"Stude Stude" Lou Jones, driver	1954 Studebaker Star Lite Coupe Dan Jones, navigator

There is still another month before the race starts, there could be another Studebaker entry by then.

Editor's note:

I know this does not come close to Phoenix, but it is possible to be near some of these cities this summer because most of our membership came from "somewhere else" and others still summer in these states. Larry & I have had the privilege a few times of seeing the cars that compete in this GREAT RACE and have always been impressed by ALL the participants. If you are near one of these locations this summer at this time, take the time to "bring your camera" and enjoy the moment.

HAVE YOU SEEN THE GAS HOG TROPHY

By Chris Collins & Ruth Cushing

The Grand Canyon Chapter attendees to the annual economy run to Cottonwood and the old truck show hosted by Don & Ginger Robertson, owners of the Gold King Mine and Ghost Town had another enjoyable outing. The tour-master was John Kroulik who was accompanied by son, Kolton and his cousin, Conner.

Winners were:

1st Place	Willard Pike	1956 President
2nd Place	George Gezelius	1951 Champion
3rd Place	Will Eastburn	1959 Lark
Gas Hog Award	John Kroulik	1963 GT Hawk

Also attending were Bill Lynch and grandson, Josh in 1973 Avanti II, Patrick Eastburn and Kevin MacFadden and his father, Jack.

The last time our REAL Gas Hog Trophy was awarded was in 2003. If anyone knows the whereabouts of this award, please contact either Chris Collins @ 602-995-5311 or Ruth Cushing @ 623-376-7054

DAY TRIP TO LA PALMA BY LARRY CUSHING

Richard Dormois, George Gezelius, and I made a day trip to Anaheim for the La Palma meet and had a thoroughly good time. We had beautiful weather and saw many fine Studes of great variety.

A car of special note was the 1922 Stude Street Rod with the license plate "NOT A T".

Several 53-54 C/K lovers are going to try to caravan to the National Meet in Spokane from the Los Angeles area. I'd like to see THAT!

Steve Fein and John, Lorilee, Kolton & Mackenna Kroulik were also in attendance. Lorilee was helping the host chapter with their raffle.

TECH TIP BY LARRY CUSHING

Armor All has a glass cleaner with superior cleaning. It does have a weird smell, so leave your windows open if working on the inside. It does make really short work of cleaning those windows, though. It should be available at all the usual places that sell Armor All.
