PRESIDENT'S MESSAGE BY DEANNA MANLEY

2005 is coming quickly to a close, and so is my third year as President. I've enjoyed working with many club members on the board and during the many special events we hosted or participated in. As we look forward to hosting the 2010 International Meet here in Phoenix every coming year will be important for us. We will need to increase membership and work toward a goal of producing the best meet the SDC, ASC and Avanti Owners have ever participated in. Both goals are very attainable as we have proven each time we hosted a Zone Meet. This will be the greatest challenge we have undertaken but we are up to the task.

I hope you will all think about what you can do as an individual and get involved in club activities and leadership. We are fortunate to have a strong chapter but as time goes on we will need everyone's help.

The December Holiday Party will be our last gathering for 2005 and I hope you can all attend. Please come help us set up December 2 at the Kroulik's after 4:00pm then return for the Dinner and Auction December 3 at 1:00pm. Be creative and bring an auction item car related, holiday related or unrelated. For the dinner bring a favorite holiday dish and a dessert. Bring a chair also so we will have enough for everyone. Attire is comfortable holiday and please drive your Stude there is plenty of safe parking by the shop.

January will start off busy so be ready! January 14 from 10:00am-2:00pm is the ACC Motorsports Day in Tempe. Last year we had 10 members participate and we had a great time. The show is free and lunch is provided for drivers and a guest. You will need to pre-register as space is limited so let me know if you would like to be there. January 21 is our 2006 kick-off meeting in Mesa at the Arizona Golf Resort. It's a great time and includes a show with awards and a very affordable buffet lunch.

Please read the ECHO and keep up to date. Send in your dues if you haven't already. Shine up the Stude and come along with us. It's going to be a great ride. I'll see you around, hope you will be there.

Speedily, Deanna

LET'S WELCOME THE PACKARDS

By Richard Dormois

For the past several years we have treated our first meeting of the year a little special and I think it still is, but this coming January, I'm particularly excited, not only because the SDC officers and board of directors will be here and a lot of folks from out of town. But, because we have added a couple of things that will make it a little more enjoyable and may attract some more folks. Packard Automobile Classics will be a part of our Saturday affair on January 21, 2006 and we will have our first mini swap meet at the Arizona Golf Resort.

Let's come out and support Scott Grainger and our other new officers for 2006 and bring some items to sell out of your pick up or the trunk of your car. Our swap meet will start at 10:00 AM, so come out early and take advantage of some bargains. We will have our People's Choice Show and Shine where all of us will vote for our favorite classic Studebaker or Packard. It looks like we will have a record number of awards this year. Cornerstone Registration has sponsored two awards and others include, Good Printers, J and N Auto Air, Studebaker Parts.Com, Phantom Auto Works, The Right Impression, Premier Irrigation, Richard Dormois, Grainger Consulting, Claudia Robinette and Packard Automobile Classics. The board of directors of the Studebaker National Foundation will meet in the board room of the Arizona Golf Resort at 9:00 AM.

Come on out, welcome Packard Automobile Classics, help kick off a very active Studebaker year and show the pride of the Grand Canyon State Chapter!

JANUARY 2006 *Cars & Parts* magazine features STUDES

Contributed by Dave Reid *The Starliner* Editor

Just got my copy in the mail, and there's a Red '63 Avanti on the cover, and the headline: "Studebaker: Stylish Orphan... 1963 Avanti, 1952 Commander, 1963 Supercharged Lark".

the first thought thru my mind was "Why the '52 and not the '53??", but then I took a look, and there are three very nice, info-filled articles, and the third one was of this gorgeous two-tone Green '52 hardtop... and I began to look closer.. IL plates, and finally in the last column, it belongs to GLEN and VERY REINTS, members of our chapter. Glen is also treasurer of the Rock River Valley Chapter, and most always has one or another of his cars in the Studebaker National Museum.

Congratulations to the Reints's on a fine bit of exposure.

If you don't have a subscription, better be checking those news-stands for your copy. Subscription rates are 15.97/6 issues; 31.95 /year; or 58.95/2 yrs: *Cars & Parts*, 911 Vandemark Rd, PO Box 482, Sidney, OH 45365-9924.

I'm always on the lookout for any kind of media on Studebakers. I thank Dave Reid for sending this to me, hopefully knowing, that I will pass it along to my readers. Thanks, Dave Ruth Cushing, Editor, THE ECHO

Membership Meeting Minutes

November 12, 2005

By Chris Collins

The November membership meeting of the Grand Canyon State Chapter was called to order by the president, Deanna Manley at approximately 6:00 PM on the 12th at the home of Scott and Barbara Grainger in Mesa. Chris Collins was asked to take minutes in the absence of the secretary. There was a correction to the minutes of the October meeting - the SDC Foundation received the proceeds from the auction at the International Meet in Spokane. It was also questioned if the straw poll taken regarding hosting an International Meet in 2010 received a negative vote as noted in the minutes. The minutes were approved as corrected. The treasurer reported there is \$657.84 in the checking account and \$10,553.01 in the money market account of which \$2500.00 is earmarked for the SDC Foundation per a vote at the October meeting. Deanna said she will accept Holiday party reservations and ballots during the evening.

The holiday party plans were discussed and it was noted that members can help the Krouliks with last minute preparations on the 2nd after 4:00 pm. Tables can also be set Saturday before the party. The sign up sheet for table hosts/hostesses went around for the few remaining tables. Members were reminded to bring a side dish, dessert, recipes, food bank donations and an auction item (be creative).

Deanna noted that the 2006 Hemming's Cars of the 50s calendar features the Manley's Speedster for January.

Upcoming events noted by Deanna include:

January 14th - The Chapter has been invited to bring our Studebakers for a show at the Arizona Community Church at Rural and Knox in Tempe.

January 21st - The Chapter will meet at the Arizona Golf Resort for a Show 'n shine and mini-swap meet hosted by Richard Dormois. Packard Automobile Classics, who are having a week long event at the Golf Resort, will take part in our show and have lunch with our members. The show and swap meet are at 10:00 am and the buffet lunch is at noon. The SDC Foundation Board will meet at 9:00 am.

January 22nd - GCSC members can join the Southern Arizona Chapter for their annual banquet at the Tanque Verde Guest Ranch. Watch the ECHO for details.

Richard Dormois reported on the new Studebaker National Museum grand opening festivities, October 28-30. He will have an article for the ECHO describing the new facility and the events of the weekend. He noted other Chapter members attending were Malcolm Stinson and his daughter, Jayne; Chester and Nancy Bradfield; David and Virginia Miller; and Larry and Pat Swanson

The next order of business was discussion about the Chapter hosting the 2010 SDC International Meet in Phoenix. A motion was made by Chris Collins and seconded by Dennis Lynde that the Chapter indicate its intention to the SDC Board and International Meet Committee to host the 2010 SDC International Meet in the Phoenix area. The motion was discussed and approved unanimously.

Before the meeting was adjourned members told of the collections and hobbies they brought to show.

Dick Eichof - Tractor collection. He has been collecting model tractors for about 10 years and has about 100. Among those he brought was a model of a 1890 Frolich, the first tractor to go forward and backward.

Pat Swanson - Samples of her woodworking projects including a paper towel holder, bag box, chess board and bread board. She made these at a woodworking shop in Sun City West and Pat says she likes to make things that can be used.

Scott Grainger - Water operated equipment. He showed a sample of a bell in his collection.

Fran Rebstock - Quilt sample which Fran says is for a crib quilt and a collection of stamps from around the world.

Claudia Robinette - A few items from her salt and pepper shaker collection.

Gary Keating - A model of a 1953 Starliner with a of how his own '53s are being restored.

Richard Dormois - Several photo montages of Studebakers and their owners from all corners of the US.

Chris Collins - Albums, one of which has articles and ads about Studebakers from many sources. Another album features dealer pictures.

Thanks to everyone who brought an example of his/her hobby.

The Studebaker driver prize was won by William and Maryanne Eastburn; Harold Manley collected \$17.00 in the 50/50 raffle.

A big THANK YOU to Scott and Barbara Grainger for the delicious spaghetti and for their hospitality.
