### PRESIDENT'S MESSAGE BY SCOTT GRAINGER

What a month for Studebakers since our last meeting! Many of us made the tour out to Wickenburg for the big parade guided by our tour master, Dennis Lynde & Linda Saar. A total of 10 Studes were in the parade lineup including Denny Lockmon's Stude golf cart. After the parade we stopped in at the rest stop east of town for a bit of picnic lunch and fellowship. There are pictures of the parade further on in the Echo. Thank you Dennis & Linda for setting up the tour and finding the picnic spot.

Next many of you were at the meeting hosted by Steve & Paulette Fein. I understand that the meeting was fun and that the guest speaker that Chris Eastman arranged for was very interesting. Thank you, Steve and Paulette for hosting the meeting. I didn't make the meeting as I was in Denver celebrating my mother-in-law's birthday and checking out a homeless Stude nearby. Check out the membership roster and you will see that Toto now has a garage mate, Elsy. Elsy is a '51 Commander Land cruiser V8 4 door. She has been anxiously awaiting her return to the open road in a storage building most recently in Greeley, Colo. since about 2000 and prior to that in a barn in Nebraska. The last time she was started was 1959. Her odometer reads 13,000 miles. Well yes, the brake pedal indicates a little more wear than that but far from 100,000 more. We will see. Did I drive her home? No, not yet. She did start for me though! I have begun my note book for a story about her return to the open road. More later on Elsy. I have included a photo of Elsy. As usual, photos in the paper version of the Echo are in b/w but take a look at the on line version on our website. All the photos are in living color there! If you have forgotten the address of the web site it is [www.grandcanyonsdc.com](http://www.grandcanyonsdc.com) , <http://www.grandcanyonsdc.com/>. Meanwhile, Toto's engine is coming out of the machine shop with a new set of 30 over pistons, 10 under rods and mains and a little welding on 2 cracks in two valve seats.

Have you looked at the calendar for coming events? March is VERY busy, as it usually is. By the time you read this the Fun in the Sun @ Laughlin will be over. I trust that many of you were able to Drive Your Studebaker over there for the excitement. Remember that all are welcome to attend the Board meetings each month. They are all scheduled and appear in the calendar. Our monthly meeting for March will be hosted by Gary & Sandie Keating at Chases Diner in Mesa on the 18th. See the details for the meeting later on in this edition of the Echo. Come out and enjoy the beautiful weather and camaraderie. March Madness is coming up on the 25th of March in Tucson. We will undoubtedly have a tour down. Details on this will be available at the meeting on the 18th and on line.

(continued on page 2)

(CONT'D FROM PAGE 1)

Our award winning Echo editor is anxiously awaiting an article from you about your Studebaker adventures. Pictures are also welcome.

For April, we have an event meeting scheduled at the GM proving grounds in Mesa. Check the schedule for details and note that the meeting is on Sunday. You will need to make a reservation for this event as there is limited seating on the tour buses inside the grounds.

Have you gotten the urge to operate a web site? Do you want to do a little more to help out your SDC Chapter? If you answered yes to these questions you may be the person we are looking for. Chuck Collins has been working our web site since it first appeared and he wants to retire. Chuck has done a fabulous job with it too. Call either myself or Chuck to discuss what effort is required. We need your help.

We need a host for our August swim party meeting. Check the calendar and call Chris Eastburn to volunteer.

Drive Safely,

DRIVE YOUR STUDEBAKER!

(Editor's note: room did not allow for a picture of Elsy to be offered in this edition.)

## **WICKENBURG GOLD RUSH DAYS PARADE BY DENNIS LYNDE**

This years Wickenburg Gold Rush Days parade was a lot of fun enjoyed by a very good turn out of Studebakers, Avantis, and even a 1951 Packard convertible thrown in for all to enjoy.

We had 11 participants in this years event and were led by Denny Lockman's Champion Golf cart, Dick Eichof's 47 pickup and a 1951 Packard that was at our January meeting brought up the rear. I believe we had one of the largest turnouts in the parade, which rolls down US 60 for several miles and then winds through downtown Wickenburg and ends back at 60. The parade is very colorful, with several other automotive groups, clowns, bands, fire trucks, horse mounted entries and more. Many thanks to Dick Eichof who arrived at the parade site early, got our group checked in and secured our place in line.

After the parade, most of us met back at a rest stop approx. 4 miles south of Wickenburg for an impromptu box lunch. There was also a group with their Model A Fords there and between the Fords and Studebakers, our cars were quite the center of attention from folks stopping at the rest stop on their way back to Phoenix. Be sure to check out the pictures at our clubs web site, [www.grandcanyonsdc.com](http://www.grandcanyonsdc.com).

Parade participants were: Mike and Mary Barany, 1979 Avanti II, Bill and Mary Cervini, 1964 Avanti R2, Pres Connolly, 1957 Silver Hawk, Richard Dormois, 1960 Lark, Dick Eichof, 1947 M5 Pickup, Denny Lockman, Champion Golf Cart, Bill and Dolores Lynch, 1973 Avanti II, Dennis Lynde and Linda Saar, 1963 GT Hawk, Claudia Robinette, 1960 Lark, Ted Sommer and Dale Lower, 1951 Packard Convertible and George Gezelius, 1951 Champion.

## **WOULDN'T YOU LIKE TO HOST A CHAPTER MEETING?**

Please contact any officer to volunteer as a meeting host/hostess. It does NOT have to be in your home. We need volunteers for April, September, October, November & December.

## **BY**

# **RICHARD DORMOIS, SECRETARY**

The gathering was hosted by Paulette and Steve Fein and called to order by Vice President, Chris Eastburn, at 5:50 PM Saturday, 18 February, 2006 in the anteroom at the Hometown Buffet, 2730 West Bell Road, Phoenix, Arizona. Chair responsibilities being delegated by President Scott Grainger on a Studebaker mission in Colorado.

Chris introduced Attorney, Larry J. Busch, Jr., who presented a very informative overview of comfortably disposing of one's property avoiding probate, taxes, fees, charges and other uncomfortable things. Mr. Busch held a raffle for a 1:18 scale Avanti and Patricia Swanson had the winning ticket. Mr. Busch was sent a letter of appreciation from the Chapter.

The Chapter had a moment of silence for Julie Hurt.

Each member and guest introduced themselves. Chris thanked Paulette and Steve for hosting the meeting and the membership showed their approval.

Larry Vahe, spokesperson for the 2010 SDC International Meet, shared a comprehensive, printed outline of the Chapter's plans for investigating options for the meet and asked for volunteers.

Treasurer Charles Collins said we have 2463.03 in checking and 8070.85 in money market for a total of 10533.88.

Membership chair Chris Collins passed a sympathy card for Julie Hurt's family.

She reported on several Studebakers for sale and passed out official SDC ballots for Pacific Southwest Zone Coordinator, suggesting they might be completed and turned in, to save postage. Several did.

Editor Ruth Cushing reported that although Echo pictures are black and white, images can be seen in color on the website. She solicited articles and advised that the newsletter can now be received in email form as well as by the U S Postal Service.

Secretary Richard Dormois was prepared to read minutes of the January membership meeting and or the February board meeting. The chair suggested the meeting might be complete without the readings, which was met with resounding applause.. Mrs. Collins called for a correction to the January Membership Meeting minutes published in the Echo.

She said the color of the Member Of The Year award was inaccurately reported as being green when it is actually black. An apology to the Eichof family and the correction was recorded.

Under old business, Chris Eastburn reported that we received a thank you note from Connie Feddick for the donation to the Studebaker National Museum in Jim's name.

We received a thank you note from the Studebaker National Foundation for the 2500.00 donation in January.

Chris Eastburn gave a report on the Arizona Automobile Hobbyist Council meeting he recently attended dealing primarily with automotive legislation.

Larry Swanson advised that the new edition of the SDC Glove Box Guide was about to be published and asked for additions of Studebaker goods and services from our Chapter.

Denny Lockmon reported on the Chapter's participation in the Wickenburg Gold Rush Days Parade and picnic. Nine Studebakers and a Packard led by Denny in the bullet nose golf cart paraded through the streets entertaining larger crowds than usual in excellent weather. Our group gathered for an impromptu show and shine and picnic at a roadside rest outside of town, much to the delight of the Model A Club also there for a meal.

Under new business, Deanna Manley shared the current edition of Hemmings Motor News with Manley's popular 1955 President Speedster gracing the cover and enjoying a nice feature story inside.

Several upcoming events were announced including the Los Angeles Winter Meet at Petersen Museum February 19; United We Drive, Hobbyist Council Car Show at Sanderson Ford February 26; Fun in the Sun Studebaker Show in Laughlin, Nevada, March 3-5; Grand Canyon State Chapter Membership Meeting hosted by the Keatings at Chases' Diner, Alma School and Warner in Chandler, 3-18; The All Arizona Studebaker Gathering, location to be announced in the Tucson area, 3-25; Valley of the Sun Kiwanis Car Show at Pera Park, Tempe, 3-26; GM Proving Grounds Tour on Ellsworth in Mesa hosted by the MacFaddens, 4-23.

George Gezelius won the Studebaker Driver's Award as well as the fifty -fifty drawing.

The meeting was adjourned at 6:40 PM.

Respectfully Submitted Richard Dormois Secretary

## TECH TIP BY DENNIS LYNDE

Got rusty nuts, bolts, washers, etc., etc.. Try putting them in a small jar, that is filled to just cover the rusty item, with CLR, and leave them 24 hours to soak. The rust will disappear about 90% and the rest will come off by just wiping with a rag. This works with some fairly heavy surface rust.

# **2010 INTERNATIONAL MEET INFORMATION BY RICHARD DORMOIS**

Dear Richard,

On behalf of the Grand Canyon State Chapter, SDC I would like to submit a formal request to host the 2010 SDC International Meet in Phoenix, Arizona. The date and the venue to be announced at an appropriate time.

We feel well qualified as a group to take on this endeavor based on our many successful PSW Zone Meets and other smaller shows. On September 17 of this year, the possibility of such an undertaking was presented to the board and at the general meeting that night the membership voted to form an advisory committee to explore the work. On October 22 the advisory committee presented their findings. Discussion about the information followed with many questions asked and answered, but with many details yet to be dealt with. The meeting closed with a plan to vote on hosting the 2010 Meet at the November Chapter Meeting. This allowed time for any further questions to be raised and for the membership to think over the commitment. On November 12, 2005 the membership put to a vote the hosting of the 2010 International Meet and it passed with an overwhelming majority.

Deanna Van Zee-Manley

President, Grand Canyon State Chapter, SDC

Dear Mr. Vahe,

Congratulations on your appointment as spokesperson for the Grand Canyon State Chapter for the 2010 Studebaker Drivers Club International Meet.

I have apprised the Studebaker Drivers Club Board of Directors and the International Meet Committee of the Chapter's intent to host the 2010 SDC International Meet in the Phoenix, Arizona area, likely in October 2010. We are pleased that you have accepted this challenge and look forward to progress updates from time to time. It is expected that your investigation of sites and getting the organization formalized will take some time and we will not expect a proposal to the Board of Directors in the near future. The International Meet Committee is prepared to act as a resource for anything you might need in your preparations and I will be your contact person. Each of your exploration committee has the current International Meet Policy and I will be happy to answer any questions you may have regarding it. No other sites are being considered.

Please feel free to contact me at this email address, 480 827 8178, or Post Office Box 30103, Mesa, Arizona, 85275 0103.

Looking forward to working with you.

Best Regards

Richard Dormois
