Editorially Speaking

March was a busy month for car shows and you can read reports about the meets GCSC members attended in the valley and elsewhere in this issue. The month ended with a bang with the All Arizona Studebaker Gathering at South Mountain Park. There was no way the attendance at the meet could have been anticipated either for the number of cars or the interested public who came out to view the display.

Fewer events are scheduled for April but it is a perfect month for hitting the cruise events around the valley. The cruise-in at 83rd Ave. and Beardsley has become popular with many members and attracts a dozen or more Studes regularly. The Saturday night cruise at McDonald's in Scottsdale is still popular as are some cruises on the eastside. See page 6 for a list of a few of the cruise venues.

Welcome to our newest advertiser, Jon Carter, AKA Junkyard Jonny. Jon has been an avid parts collector for a number of years and has a large variety of parts.

Thanks to all of the contributors this month - Larry Vahe, Steve Fein, John Smith, Richard Dormois, Deanna Manley, Colin Fort and Denny Lockmon.

Chris

Best wishes for a speedy recovery to **Norma Sexton** who will have surgery later this month.

The Chapter received a thank you note from the **Karel Staple Chapter** for our donation for awards at the upcoming PSW Zone Meet in Sacramento.

SDC has appointed **Linda Sinclair** to serve as chief judge for the next four years. If you are interested in being a concours judge at the International Meet in Cedar Rapids this July or the meet in Glendale in 2010 please contact Linda at houseofsinclair@aol.com to volunteer.

The **Studebaker National Foundation** is accepting scholarship applications from SDC, AOA, ASC members or a member's son/daughter/grandson/granddaughter for scholarships in the amount of \$250.00 to \$1,000.00. Please contact **Brian Millette** at abmillette@cox.net or 602-300-5313 to have an application sent to you. The deadline for the submission of applications is May 1.

The ECHO is the official newsletter of the Grand Canyon State Chapter, SDC and is published 11 times per year. Contributions are welcome and encouraged. Please submit articles, tech tips, etc. by the 20th of the month preceding publication. Other newsletters are welcome to use any material with proper credit given.

President's Message

It was a dark and stormy night as some dark men met for a dark purpose. So, you might be wondering just what this has to do with this column and the short answer is, well, nothing. I've always wanted to start a column out with this great sentence but since all our meets are during the day...Speaking of day time and great things the March Madness meet held on Saturday March 28, 2009 was, for lack of better wording, terrific!! We had 76 cars (with few duplicates) and one pink Studebaker golf cart and around 170 people at the meet at South Mountain. The AOAI and ASC were out in force displaying many fine cars. I was kept busy selling raffle tickets and talking to my counterparts at the AOAI (Dale Sexton), ASC (Malcolm Stinson) and the Southern Arizona Chapter (Bruce Sandberg). After lunch a short club meeting was held and 11 raffle prizes were handed out under the able direction of Mary Powell-McConnell. Our able photographer, Steve Fein, took 178 pictures of the meet and will be sending them to our web master, Ron Crowe, for posting on our website. If you have not please do visit the club website and view the pictures from our meets along with other interesting features including links to the upcoming 2010 meet right here in Arizona. While helping the club booth I was somewhat surprised to hear a number of people (probably visitors) did not know the international meet was being held right here in Arizona in 2010. Somehow we'll need to educate the local Phoenicians about the 2010 meet but I imagine that will happen with advertising closer to the meet date. To recap, the March Madness meet could not have been better and thanks to those who toiled tirelessly to make it happen, in particular Dan Kuhl for securing the site and spending two hours directing traffic and the rest of your club officers for helping out. And, of course, thanks to all who came out be it SDC, AOAI or ASC and to Mother Nature for such a gorgeous day.

For those of you, who thought this column was done, think again! I have to fill up a minimum of 450 words or our editor will reject my musings with a stern admonishment. So to avoid that fate I'll forge ahead and dive right into what I hope is our club's main focus these days and that is the upcoming 2010 meet. Your Posse Committee met on Sunday, March 29 and worked on such weighty things as the budget, marketing strategy and all the little things that make up an International affair. The committees are coming along with the committee chairs working on preparing their own budgets as well as filling out their ranks. For those committee chairs reading this, the next joint committee meeting will be held on Sunday, April 26 at 1 PM, site to be determined. From time to time our crack ECHO editor will list the committees so please do take the time to review what committees are out there and please take the time to help out and sign up for a committee.

Upcoming events include the next meeting at the home of George Gezelius. We have met at his house a number of times in the past and George promises to live

up to his past meetings and tours of the places he has seen. Finally, under facts you may not be interested in, my round trip from Prescott to South Mountain was 221 miles and I averaged 19.95712 mpg in my Packard Hawk. Pretty amazing, huh? Well, my word count is now a comfy 623 so Happy Trails until we meet again.

Larry

MARCH MEETING MINUTES

Submitted by Richard Dormois

President Larry Vahe called the meeting to order at 1:18 PM Saturday, March 28, 2009 at the "All Arizona Meet" at South Mountain Park, Phoenix, Arizona, in the midst of throngs of Studebaker fans and seventy seven Studebakers and Packards from throughout the state.

Richard Dormois gave a promotional pitch about the 2009 Antique Studebaker Zone Meet in Cottonwood, Arizona, April 30 to May 3 at the Quality Inn and the 2010 Studebaker Drivers Club International Meet in Glendale at the Glendale Renaissance, May 31 to June 4.

Chris Collins advised the membership that the *ECHO* would be a bit tardy reaching their homes because she was there rather than home editing it.

Mary Powell-McConnell, ably assisted by Larry Vahe, awarded a large variety of raffle prizes donated by the membership.

Larry called upon about a dozen members to present the "Fun Judging" awards to the appreciative recipients. Chris Collins recorded those results for the *ECHO*.

Richard Dormois presented the long distance award to Michelle and Shawn Miller of Kingman, Arizona for driving their green 1964 Champ pick up about two hundred miles to the meet. SDC National Officers were introduced and Chester and Nancy Bradfield from Bridgewater, Virginia and Bob Valpey of Center Harbor, New Hampshire were recognized for making it to the meet.

Bruce Sandburg, Southern Arizona Chapter, SDC, President updated the group on SAC SDC outings for the summer in Tucson and Marana.

Jon Carter, SDC Pacific Southwest Zone Coordinator welcomed the group to the Studebaker Drivers Club Pacific Southwest Zone Meet at McClellan Air Force Base in Sacramento May 15, 16.

Priscilla Becurle addressed the membership selling six Studebakers of various years and conditions in the local area.

Mr. Vahe concluded the meeting at 2:31 PM.

ALL ARIZONA STUDEBAKER GATHERING

Saturday, March 28th dawned bright and cool and for Studebaker fans from around the state, it was the beginning of a wonderful day of beautiful cars, trucks and assorted other vehicles driven or trailered to South Mountain Park in Phoenix. The park provided a stunning setting for this annual event also known as March Madness. Board and 2010 committee members arrived around 7:30 am to find Dan Kuhl had been busy setting out cones to mark parking space and canopies and tables were hurriedly set up as Studebakers started rolling in. By ten o'clock the row of Studes extended far from the picnic area where registration, the raffle and 2010 meet information were located.

Out in the parking, there was lots of Stude talk and deals being made between sellers and buyers of vari-

ous parts being vended from trunks and pickup beds.

Because of quite a bit of advance publicity, particularly an article in Friday's *Arizona Republic*, there were many visitors from the community eager to see our display. Some visitors had some past affiliation with Studebaker including one who had been in charge of the Avanti line at the factory and who had daily conversations with Sherwood Egbert. Another visitor was carrying the 1952 publication, issued by Studebaker celebrating its 100th anniversary, which included a picture of his father who was president of the union at the time.

Surprisingly, there were two pink bullet-nose cars in the show, one from Mesa and the other trailered in from Palm Desert along with a matching golf cart. There were several pre-war Studebakers among the more modern iron and Avantis were well represented, as well. Two station wagons, several trucks and a number of customs were included in the diverse assortment of vehicles.

Several of those attending had so much fun at our gathering that they joined the chapter at the show. Welcome to all the newcomers and thanks to all who came out to make this one of the most successful March Madness events ever. The chapter also extends its grati-

tude to those who donated raffle items, to all who made and presented fun judging awards and to Dan Kuhl for arranging for the use of South Mountain Park.

Mary Powell-McConnell and Larry Vahe award raffle prizes.

APRIL EVENT

APRIL 18 CHAPTER MEETING

Saturday, April 18th Chapter members will meet at the home of George Gezelius, 1257 N. Barkley in Mesa. Plan to arrive around 3:00 pm for visiting and touring George's collection of interesting vehicles. A pot luck supper will be served around 4:00. Members whose names begin with A-J, please bring a hot or cold main dish; K-R, a salad or side dish; S-Z, bring a dessert. Table settings and beverages will be provided. Please bring chairs for your party.

A meeting will follow, then George will share pictures and memorabilia from his trip to the Far East this past summer.

Directions to George's home are: from the west side take 1-10 to the Loop 202, exit right at McKellips Rd., proceed east to Stapley Dr., go south on Stapley to Brown Rd. Turn east on Brown, go about 1/4 mile to Barkley and go north. His house is on the southeast corner of Barkley and Grandview at 1257. From the north take Loop 101 to the 202 and follow the directions above. From US 60, exit at Stapley Dr., go north to Brown Rd., and follow the directions above. If you have any questions please contact George at 480-964-7989.

The officers and board will meet at George's beginning at 3:00 pm. If you need more information, contact Larry at 480-694-3899 or 58pkhawk@cableone.net.

PAST EVENTS

Midnight At The Oasis

By Denny Lockmon

Franks & Elizabeth van Doorn and Jan & Denny Lockmon drove their Studebakers to the annual "Midnight At The Oasis" car show in Yuma, AZ held March 6-8. This is a three day event that now has 1000 cars. The hosts feed the entrants all three days and have live entertainment Friday and Saturday nights. There were many beautiful cars of all types and makes. van Doorns 1941 Champion rod and Lockmons 1953 modified were two of six Studebakers in the show. Also attending was Studebaker friend Liz Priston from England, Al & Anna Riedel, and Tim Painter.

I hope we can encourage more Grand Canyon State Chapter members to attend more of these all make shows to get the Studebaker name out there. The Studebakers drew much attention with many times folks passing over high dollar hot rods heading directly to see our cars.

Naturally we heard many stories about Studebakers from the visitors. The common one that our cars had Ford engines. One funny story was a guy came by and said he had taken the engine out of his Studebaker and installed a Packard six cylinder V-8. Said it bolted right in. We just rolled our eyes. I told one obnoxious person we took the high performance sixes out of our cars to install the big economy V-8s Shame on me.

ACC Motorsports Day

By Deanna Manley

The Arizona Community Church Motorsports Day was held in March this year and the day was warm and beautiful. A number of chapter members and friends were assembled on the north side of the church property providing a nice line-up. A few non-member Studes were also present scattered around the property bringing the total to a dozen.

Displaying Studes this year were Dick Eichof, 1947 M5; Steve Fein, 1966 Cruiser; Pam Cawley, 1960 Lark; Dennis Lynde, 1963 GT; Harold and Deanna Manley, 1955 Speedster; Fred Moore, 1956 Hawk; Terry Stines, 1928 Commander and Ralph Guariglia modified 50 Starlight. Ralph is a former member and I gave him the necessary information to re-join and have his car at the 2010 Meet. Many of us were wearing the 2010 T-shirt and later that evening when Harold and I went to the Pavilions Car Show we met Scott Benson displaying his Studelac and wearing a 2010 shirt, also.

Next year we will need to begin registering for the ACC Show earlier as the spaces were filled quickly and a number of our chapter couldn't get in. Let's get our cars buffed up and running to prepare for all the future events and most importantly the 2010 International Meet we are hosting in Glendale. See and your Stude soon.

Kiwanis BBQ and Charity Car Show

On March 15th, the day following the ACC Motorsports Show, Chapter members and their cars made an appearance at the annual Valley of the Sun Kiwanis Club BBQ and Charity Car Show held at the PERA Club in Tempe. And, for the first time, a Studebaker won the People's Choice judging, an award determined by participants and other attendees. The winner was the beautiful 1932 St. Regis Brougham owned by Bill and Jeannette Cherwayko. The car also won first place in Class 1 for 1900-1939 vehicles which was judged by a team of Kiwanis members. Congratulations to Bill and Jeannette.

Other vehicles entered by GCSC members were a 1955 Commander sedan and 1950 Starlight Coupe, both owned by Bill and Jeannette Cherwayko; 1955 Speedster, Sid Rosen; 1963 GT Hawk, Dennis Lynde and Linda Saar; 1966 Cruiser, Chuck and Chris Collins; 1970 Ford Country Squire, George Gezelius; 2009 Nissan GT-R, Bill Cervini.

To complete a day of beautiful weather and collector cars, chapter members were treated to a delicious barbecue lunch courtesy of Sid Rosen.

Thanks to all who attended and to Sid for the barbecue tickets.

You can view photos from these three events on page 13 of the online edition of the newsletter.

This 'n That

George Gezelius was presented with the Dealer's Choice award at the Arizona Hobbyist Council Car Show held at Don Sanderson Ford in Glendale on February 22nd. He showed his 1970 Ford Country Squire station wagon. Congratulations, George.

Bill Cherwayko and a car pal are hosting a cruise in every Sunday, October through May from 1:00-4:00 pm at Four Peaks Center in Fountain Hills. There are still several Sundays remaining to join in the fun.

Larry Swanson invites Chapter members to attend a WW II USO show in the evening of Saturday, May 16th at Sun City Grand, 19775 N. Remington Dr. The program features dancing to big band music from the '30s and '40s and costs \$10.00 per person. If you are not attending the zone meet in Sacramento that weekend this would be a fun alternative.

Kevin MacFadden ran across a painting on display at a Chandler bank titled "Imagine the Miles" which features a 2R truck. The artist is Nicole McCaigue and you can see the painting on her website at <http://nicolemccaigue.com/> Scroll through the Art Catalog; it's the seventh picture. From her description, the truck is from **Don Robertson's** collection at the Gold King Mine. Good find, Kevin.

Send member news to the editor at ccollinsaz@cox.net.

PALM SPRINGS STUDEBAKER GATHERING

By Richard Dormois

Thirteen Grand Canyon State Chapter members and several dozen other aficionados of our marque enjoyed the third annual Palm Springs Studebaker gathering hosted by members Kent Vandenberg and Frank Wenzel. Weather was beautiful and our hosts could not have been more accommodating. Although touted as a Southern California Antique Studebaker Club meet, Studebaker folks from both coasts were welcomed regardless of affiliation. The group enjoyed the company of five members of the Board of Directors of the national Antique Studebaker Club as well as several officers of the Studebaker Drivers Club.

A highlight of the four day event was a visit to the Robert Pond automobile collection on his beautiful gated estate. The 109 vehicle collection, quartered in five buildings on the sprawling, highly manicured grounds, included pure classics, domestic and foreign reputation racing cars, American muscle, most orphan makes and more, all in pristine condition. The exclusive tour of the private collection was arranged through Mr. Pond's widow. Some on the tour chose to visit Mr. Pond's collection of World War II fighters and bombers at the Palm Springs Air Museum which includes a B17G powered by four Studebaker Wright Cyclone engines.

Thursday evening and Saturday evening Frank and Kent chose to host dinner at their beautiful home in Palm Springs which houses what may be the finest private collection of prewar and post war Studebakers in the western United States including "The Arizona Sheriff", 1926 Big Six Phaeton adopted by our chapter as the center piece for the "Best In The West" 2010 SDC International Meet in Glendale, Arizona May 31 - June 4.

Touring was the main theme of the meet which was accomplished to a variety of fine eating establishments in Palm Springs. Saturday morning we joined the Palm Springs Cruizin' Association for breakfast at Ruby's Diner in Rancho Mirage. Hard to tell who enjoyed each other's classic vehicle display the most. The line up of antique Studebakers were most impressive as were the vintage Cobras and Dueces.

During the meet we were able to promote the ASC Southwest Zone Meet in Cottonwood, Arizona as well as the 2010 SDC International Meet. A big THANK YOU to Kent and Frank for a wonderful relaxing outing.

Those attending from the Grand Canyon State Chapter were Malcolm Stinson Jr., Claudia Robinette, Colin and Suzanne Fort, Bob and Mimi Halgren, Fred and Nora Gooch, Kent Vandenberg, Frank Wenzel, Chester and Nancy Bradfield and Richard Dormois.

SPRING 2009

PALM SPRINGS MEET REPORT

By Colin Fort, Pacific Southwest Zone Director

Earlier this year in January, we had the All-Arizona Meet. It is getting larger every year especially with more members retiring in Arizona. One day is a car show and meeting in Phoenix and the following day is the car show, luncheon and auction in Tucson. We not only have representation from almost every chapter in our Zone but from several surrounding states. There were over twenty states involved.

Last week I attended the ASC Meet at Frank Wenzel's home in Palm Springs, California. It was sponsored by Arizona State Chapter of ASC with support from the Southern California Chapter. This is my first year but it is the third time the meet was held at Frank Wenzel's house. It started on Thursday, March 12 and ended Sunday the 15th.

Some of the cars in Frank's collection include a 1938 Sedan, 1942 Commander, 1958 Studebaker Wagon, 1958 Coupe, Avanti, Post-War Landcruiser and the one I liked the best was an Arizona Sheriff. This is the poster car for the 2010 Meet.

In addition to the Studebaker, he had a nice 1936 Hupp Coupe (right hand drive) and an early 1950's Pontiac panel delivery truck. Everyone was envious of his garage operation.

We also toured the Pond Collection in Palm Springs. This included several buildings each with about twenty cars. There must have been one hundred cars. The only Studebakers were a Bullet Nose convertible and a Weasel. One building had antique cars; one with modern cars; one with muscle cars; and one devoted to Ferraris. There was a well restored Tucker. There was also a modified farm tractor with a Porsche engine, top of the line Buggati, newer Maybach, Pierce-Arrow limousine, and on and on. This was a treat in and of itself.

There were at least fifteen members who drove their antique Studebaker to the meet. I would say over fifty people came to the dinner at Frank's house. This sure was an eating group. We meet at a different restaurant for breakfast, lunch and dinner. Several people also took a ride on the Palm Springs Tram. This is one of the longest tram rides over an open gorge in the United States.

Word has gotten out about this wonderful event and I am sure more will attend next year.

Studebaker

A group of fine Studebakers line the street near Frank Wenzel's home in Palm Springs.

Photo by Colin Fort.

SHERIFF OF THE ROADS

By Major Grover F. Sexton

Unique among all the sheriffs of Arizona is Deputy L. H. Foster of Kingman, "Sheriff of the Roads" of Mohave county.

Rarely does he participate in running to earth the lawbreakers who take refuge in the towering mountains in his domain, lying below the Grand Canyon of the Colorado and running for 400 miles south through the Black, the Chemehuevis, the Hualpai or the Cerbat ranges.

He raises more posses of citizens than any other sheriff in Arizona. The appearance of his big Studebaker, tearing through a black night and cloud-burst, is almost sure to be the ride of a Paul Revere.

For Arizona's "sheriff of the roads," before he is a deputy, is the county engineer of Mohave county.

When it rains, it pours, up in his mountains. And after it pours, every dry wash, which had been a stony, dusty creek bed, is a raging torrent, carrying all before it.

The dry soil, seemingly so packed, is washed out by the roaring floods and those wonderful mesa roads, over which a motor car can make all the speed its engine can give, within a few minutes may be crossed by deep arroyos.

Since 100 miles is to an Arizonan what a few city blocks are to an urban dweller, a washed out road may be a serious thing to travelers, thus shut off from the expected water supply, the looked for gaso-

line station, or food.

Nor will a sheer mountain side, rising to the right; and a nearly perpendicular canyon wall, falling away at the left, permit detouring around the washout.

Every moment the new arroyo remains across the erstwhile solid road imperils the safety of automobilists.

And Arizona takes mighty fine care of its motorists in every way.

Whenever the storm clouds gather in the mountains far above Kingman, Deputy Foster, "sheriff of the roads," piles into his rubber coat and high boots, fills up the gas, oil and water tanks of his Studebaker and watches the course of the storm.

In half an hour he knows he will be on his way, perhaps to be gone a week or ten days before he pull of his boots and lie down to a decent rest. Like a rainbow, the Studebaker is sure to follow every storm.

Posses of workers he picks up on the way, and with rocks, and pick and shovel and rented team, they will work in the downpour or immediately after it, to get the roadways into shape, then dash off in the night with headlights on full, looking for another place where the highway needs to be made safe again.

If other sheriffs have battles with outlaws, the "sheriff of the roads" has his desperate battles with the outlaw elements.

A night rider of the storm is he, the Paul Revere whose Studebaker is his existence, and the existence of travelers on the lonely canyon roads of Mohave county.

The thunder is his phone call of alarm; the lightning blazes against him as the blazing six-shooters of outlaws strike at his fellow sheriffs. But like all the others, with his life in his hands, he stands alone if need be, between danger and his people. And not one whit less dangerous is his calling — this "sheriff of the roads."

Reprinted from *The Arizona Sheriff*, a publication of the Studebaker Corporation of America, 1925.

2010 SDC INTERNATIONAL MEET COUNTDOWN !

**AS OF APRIL 1, 2009 THERE ARE
422 DAYS UNTIL THE MEET.**

TECHNICAL INFORMATION

Hardware Store Steering Column Surround Fix

By Dick Shurson

Q: I have a lot of hot air coming in from engine compartment around the steering column. The plate that was mounted around the column is loose and hanging. What is left of the gasket breaks at the touch. What do you recommend to seal around the column? Also, what secured the metal plate in the first place and is there a way to secure it more tightly?

A: I went down to our hardware store which sells plumbing supplies and found a big rubber gasket that fit perfectly. It is normally used between the water tank and the bowl part of the toilet. You make a cut in it to get it around the steering shaft and push it into place. Once in place, use a little black silicone sealer to seal where you cut it and you're done.
