From the Editor's Pen.....

This month's cover features the front page of a dealer brochure for the 1962 line of Larks. Fifty years ago, Studebaker had a very nice car that is still most desirable to fans of the marque. The brochures were every bit as beautiful as the cars with very vibrant colors.

1962 was also the year the Studebaker Drivers Club was founded by Harry Barnes. As the chapter celebrates its 40th anniversary, let's remember the founding of our national organization.

Welcome to our newest advertiser, Ken Pyle, who has 45 years experience with Studebakers. Thanks to Russ Ware for renewing his ad. Please keep our advertisers in mind when looking for the products and services they provide.

As you read this month's newsletter you'll see our members have been attending events throughout the valley and the state. If you attend an all makes car show please consider submitting an article to share your experience of displaying your Studebaker.

Thanks to all who submitted articles: Linda Smith, Scott Grainger, Denny Lockmon, Dan Kuhl, Kevin MacFadden and Ed Smith. *Chris*

From the President.....

What is happiness? Is it the feeling of warmth in the summer? Is Happiness owning a Golden Hawk? Is Happiness eating heaps of pancakes, hot off the griddle, every Sunday morning? Is Happiness driving an M Series or a Lark or a Conestoga or maybe a Speedster.

Happiness is such a simple yet complicated word. Nobody can actually tell what happiness is. No exact words can match it. Is it the feeling of success or is it the feeling of no worries? It is such a dynamic word, it is like the wind – felt but never really seen. But still happiness bugs me. Where can you find happiness? How can you be happy? Such questions go through my mind. Maybe happiness is just within each of us.

Old Fashion Happiness can come from earning a penny, and from being free to catch tadpoles in the creek, after your chores were done. Happiness came from owning a Commander or President.

To me Happiness is surprising your mother or wife with flowers. It is walking in the rain. Happiness is chocolate, and it is a loving word or kind smile. Happiness is a way of travel and not a destination. Maybe true happiness is just owning a Studebaker.

Today what seems to make a difference when it comes to happiness is if and how often we cooperate in activities and share our feelings with a friend. It is said that people were found to be happiest with their friends. Happiness can come from volunteering as part of an organized group or club. People who volunteer on a consistent basis seem to be happier. They tend to have better mental well-being, and higher life-satisfaction.

You may have certain strengths that are so natural to you that you may not even consider them strengths. Think about an episode in your life when you were at your very best. What qualities enabled you to perform like that? The studies agree that there is a very significant association between volunteering and psychological well-being. Think about the strength you employed and how you can use that strength toward helping us achieve the best Pacific Southwest Zone meet in 2013. We need the happiness of the old fashion kind and of the modern kind to develop a program that will instill happiness in all who attend.

Henry Ford said "There is no happiness except in the realization that we have accomplished something." Take some time out of your busy schedule and join us at the next zone meet planning meeting. Together we will accomplish something magnificent.

ALL ARIZONA STUDEBAKER GATHERING MARCH MADNESS

By Linda Smith, GCSC Vice President

March Madness in Tucson this year proved to be a great Studebaker outing. We had 9 cars caravan down with Claudia Robinette leading the pack. I only had to call her once to say...Can you go a little faster!!! We were met at the Cracker Barrel restaurant by Malcolm Stinson and his 1940 President, John Verill with his 1963 Avanti and his nephew, Ken and Arlene West with their Daytona, Neil and Ruth Bell with their 1960 Hawk, Ed and Linda Smith with their 1951 Stakebed and Dennis Lynde & Linda Saar with their 1963 GT Hawk. John & Kim Rodhouse, Mike & Sue King and their 2 granddaughters and Pierce Hawk and Marily Horstmann also joined us.

We had a great time and I want to thank everyone that joined us and the other members of the club that met us down there. A big **THANK YOU** for the Southern Arizona Chapter for hosting and all their hard work to put on a GREAT March Madness.

Other chapter members in attendance were John Kroulik, Kolton Kroulik, Phillip Smith (1955 Pickup), Shawn Miller and Michelle, Bruce Sandburg and Delores Shurtz (1959 4 wheel drive pickup), Lou Fencil (1956 Transtar), Chris, Rachel, Aubrey and Chloe Eastburn (1963 Lark), Jerry & June Kaiser (Coupe Express), Chuck & Louise Stanford (1954 Starliner), Keith Muske (M pickup), Fred & Nora Gooch (1937 Dictator), Lew Dandurand (1958 HT), Chuck & Chris Collins.

Winning fun judging awards were Ed and Linda Smith, 1951 Stakebed, for Best Glove Box; Keith Muske, M Pickup, for Cleanest Air Breather; Lew Dandurand, 1958 HT, for Best Dashboard; Myron Cowel, 1957 Golden Hawk, for One Cool Ride; Maggie Wheeler, 1933 coupe, for Favorite Set of Wheels; Jeff Jones, M Pickup, for Best Truck and Neil and Ruth Bell, 1960 Hawk, People's Choice. Congratulations to all and thanks to Kolton Kroulik for recording the results for the editor. The 2013 All Arizona Studebaker Gathering will be hosted by the Grand Canyon State Chapter. See you then.

Reverend John F. Rebstock

May 2, 1922 – January 29, 2012

It is with sadness that I report that longtime Studebaker owner, enthusiast and Grand Canyon State Chapter member John Rebstock passed away in West Fargo, ND on January 29th. John and Fran were active participants in many Grand Canyon State Chapter events for many years until relocating to the Fargo area in 2008 to be closer to their family.

John was born and raised in Elkhart, IN graduating from high school in 1940. He served in the US Navy during WWII as a repair officer in the Pacific theatre and was discharged in 1946. On May 13, 1945 he and Fran were married in Naperville, IL. Following his discharge from the Navy, John and Fran moved to Minneapolis where John studied physics at the University of Minnesota. In 1948, John answered the call to ministry and graduated from the Evangelical Theological Seminary in Naperville, IL in 1951. John served as a pastor in the Minnesota Conference of the Evangelical United Brethren and United Methodist Church for 36 years before retiring in 1987.

After John's retirement, he and Fran moved to Mesa to enjoy retirement. You may remember John's gold '57 Golden Hawk at many club functions. In addition to Studebakers, John enjoyed sports, particularly basketball and golf; woodworking and HO scale trains. He is survived by his wife Fran, daughter Cathy Prichard, grandchildren Molly Hammer and Owen Prichard, brother Theodore and many people whose lives he impacted.

If you would like to send a card or letter, Fran's address is:

UPCOMING EVENTS

Submitted by Linda Smith

The 1st Annual Apache Wells Car Show is April 7th from 9am – 2pm. All years, makes and models are welcome. Registration is \$15.00 and you get a T-shirt, goody bag and a dash plaque. The registration form is on page 16 of the online *Echo*. If you want any other information please call Ed Smith at 602-290-1045 or John Rodhouse at 480-244-3763.

Chapter Event: Movie night on April 20th at the Glendale outdoor theatres. Drive your Studebaker or your Brand X and join us and enjoy a movie. You tune your car FM stereo or bring a portable boom-box. The address is: 5650 N. 55th Ave., Glendale. We will meet a little earlier in the drive-in's parking lot to decide what show to watch. Won't know what is showing until the 19th but I will send out an email before the event as a reminder. Please call me if you have any questions

As you know we had to **cancel our event at the Maricopa Live Steamers for April 7th, but it is back on the calendar for May 6th from noon to 4:30pm.** Drive your Studebaker and join us for a fun-filled afternoon: car show, ride the trains on one of their many tracks and a picnic style lunch. The Chapter will provide the paper products, silverware and drinks. Last names starting with an A-O please bring something to share for the main dish or salad and P-Z please bring some type of dessert. We will be at the largest picnic area called the Ford Patio. We will have a short business meeting.

The location is: The Adobe Western Railroad is located on 43rd Avenue across the street from Wet 'N Wild Waterpark just south of Pinnacle Peak Road in north Phoenix. It is about 2 miles west of I-17 and a mile north of Loop 101. Free rides on five different 30-40 minute routes are offered every Sunday be-

tween noon and 5 p.m. The last train leaves the station at 4:30 p.m. Although the rides are free, your generous donations help keep the railroad running. Please

come out and support your Studebaker Chapter. If you have any questions please call me at 602-618-7691.

Afterwards we have a Zone Meet meeting scheduled at the Deer Valley Airport but hopefully we can meet right after the Trains event, maybe across the street at the ballpark. Not scheduled to be very long !!!!

May 10-13 – Antique Studebaker Chapter Event at Malcolm Stinson's place in Show Low, AZ. Great activities are planned. See the *Echo* for details.

The board has come up with some great suggestions for events for the next few months....We want to hear from you....What do you think?

May 19th – Our first Bowling event, to be held at a local establishment. Details to follow.

June 13th is our 40th Anniversary as a Studebaker Chapter, but since that is a Wednesday we thought we would celebrate on June 16th for an indoor event. More to follow.

July – maybe another Bowling indoor event depending on how the first one turns out!!

September 8th is Drive Your Studebaker Day. Thought we might have a Poker Run / Treasure Hunt, starting in 2-4 locations around the valley. Meet for a pizza and ice cream party at a central location. More to follow.

The board needs the members feedback, so please email, call or write one of the board members a letter and tell us your thoughts.

MIDNIGHT AT THE OASIS

Story and Photos by Denny Lockmon

March 2-4 2012, the 20th annual "Midnight At The Oasis" car show was held in Yuma, AZ. This is one super event. 935 cars were registered including 14 Studebakers. They start things off Friday night with a meal of barbecued chicken with all the fixings. Two bands performed as well.

On Saturday, the actual show begins. Again they feed us again with their famous Tri Tip. More cars than a person can see on 3 fields. Saturday night the featured groups performed ending with "Paul Revere And The Raid" of their past hits, some up to 40 years ago.

This year's show included GCSC members Tim & Joen Painter from Yuma with their 1953 Studebaker "Studebird", Frank & Elizabeth van Doorn from Omaha, NE/Sun City with their 1952 Studebaker Commander Starliner, Don Grobengieser from Chino Valley, AZ with his 1957 Silver Hawk and Denny & Jan Lockmon from Sun City, AZ with their 1940 President Club Sedan street rod.

Give it consideration as this show is a real hoot.

MARTIN AUTO MUSEUM

By Denny Lockmon

I had a conversation with Mel Martin, owner of the Martin Auto Museum. He had a request. On Saturday, April 28, 2012 from 12pm to 4pm they will be having a group of folks coming to the museum who are blind. They will be given permission to touch the cars and feel the

shapes and styles. He needs some car folks to assist in helping the guests touch the cars and explain what car it is and something about it. This is an opportunity to help Mel and his guests have a great experience. If you are available to help please contact me at lockmon@cox.net or 623-974-5424 and I will put it together.

February was a special month for those of us who live in Arizona. Happy 100th Birthday, Arizona!

-  When England's famous London Bridge was replaced in the 1960s, the original was purchased, dismantled, shipped stone by stone and reconstructed in Lake Havasu City, Arizona, where it still stands today.
-  Mount Lemmon, in the Santa Catalina Mountains, is the southernmost ski resort in the United States.
-  Rooster Cogburn Ostrich Ranch in Picacho, Arizona is the largest privately-owned ostrich ranch in the world outside South Africa.
-  If you cut down a protected species of cactus in Arizona, you could spend more than a year in prison.
-  The world's largest to-scale collection of miniature airplane models is housed at the library at Embry-Riddle Aeronautical University in Prescott, Arizona.
-  The only place in the country where mail is delivered by mule is the village of Supai, located at the bottom of the Grand Canyon.
-  Located on Arizona's western border, Parker Dam is the deepest dam in the world at 320 feet.

TECHNICAL INFORMATION

HARD START HELP

By Malcolm Berry

If your car is hard to start or cranks slowly, it may not be a bad battery or starter. Many times it is a bad connection or a bad cable. The first thing to do is check the battery to see if it's fully charged. Don't overlook the possibility that you might have a bad cable that needs replacing. If the battery checks good, continue on with the maintenance guidelines listed below:

- 1) The battery terminals should be cleaned every year. Go to your local auto parts store and buy a terminal brush. Brush the terminals and the battery posts.
- 2) Where the ground cable connects to the engine or chassis, remove the cable and clean the cable connector and where it connects. There should be a cable that connects the engine to the chassis. Sometimes they get disconnected over the years. Make sure the cable is still in place.
- 3) The other cable goes to the starter solenoid. Where it connects to the solenoid should be removed and cleaned. On the other side of the solenoid, the cable goes from the solenoid to the starter. That connection should be cleaned as well as where it connects to the starter.

Once you've cleaned all the connections and the engine still cranks slow, it may be the starter solenoid. If you have a digital voltmeter, you can check across the connections to find a voltage drop that may be causing a problem.

After you've cleaned all the connections and determined that the starter solenoid is OK, the only thing left to check is the starter. The best thing to do is remove the starter and take it to a shop that specializes in starters.

The Greatest Show on Earth

By Dan Kuhl

In 1952 the motion picture "The Greatest Show on Earth" debuted. It starred Charlton Heston and James Stewart, and it won an Academy Award for Best Picture. In 1952 Studebaker celebrated its 100th Anniversary—it was a very good year, as Frank Sinatra sang in now famous song of the same name.

On February 4th I was very fortunate to participate in another "Greatest Show on Earth" – the Motoring Thru Time car show held at Heritage Square in downtown Phoenix. This year it was the kickoff to Arizona's 100th Anniversary Celebration held at the Capitol complex the following weekend. The Motoring Thru Time is by far the best car show I have participated in Phoenix.

The sixth year of this show saw many varied vehicles scattered along the walkways of the Square. There were 124 vehicles of various types from a 1909 Hudson to a 1975 Rolls Royce Silver Arrow. Amazingly, three 1912 Model T Fords were displayed. There were 10 vintage travel trailers and numerous bicycles and motor cycles from the early 20th Century. There was even a 1915 Harley-Davidson motorcycle. There were other related displays, such as a collection of historical Arizona license plates. 1900+ visitors passed by the many displays enjoying the diversity and history of transportation. Our favorite marquee was well represented with five Studebakers and a 1987 Avanti convertible displayed.

Because of Arizona's birthday celebration, participants were asked to decorate their vehicle or dress in clothing from the period of their displayed vehicle. I chose to decorate my truck as seen in the photo, while most of the antique car owners were dressed in appropriate apparel. What a great day; the weather was perfect and so many friendly people happened by to talk and take pictures of the displayed vehicles. The "Greatest Show on Earth" was a huge success; I will be back next year.

The Green Machine rides again!

By Scott Grainger

Toto, Barbara, myself, Sam and Annie made it to the Phoenix St. Patrick's Day parade on the big GREEN DAY. We had a special invitation from our granddaughter, Emma Grainger. She is an Irish dancer at the Bracken School of Irish Dance. The school was looking for a special vehicle to haul the show off the school. Toto fit right in with her Forest Green color. The parade was very well attended. Irish folks and other green people and green animals of various sorts lined 3rd St. from Virginia Ave. south to a block south of McDowell. As you can see from the photos, Sam and Annie guarded Toto while we helped to put the decorations more dancing and a festival at the city park located at the end of the parade. We didn't notice any other Studebakers in the parade. The dancing girls got a lot of notice from the parade goers but so did Toto. Quite a few fellas gave us a good thumbs up along the parade route. We have an invitation for next year already.

Speaking of invitations, during the parade one of the many photographers along the route that took a lot of photos of Toto came out and walked along for a while. His name is John Samora. He asked if he could come out and take more shots of Toto at our place. He is a commercial photographer in Phoenix. He wants to use Toto in some of his work. Said was looking for something different.

That reminds me, Hemmings' photographer Jeff Koch is coming out to our place the last week of March. He has a date with Toto to take her picture a few times. He sent an email last month and asked if we still had Toto and if she was still in decent shape. Odd questions but anyway he will be out. Says he wants to put some pics of Toto in the *Classic Car* magazine and possibly in their calendar. That will be fun to have him visit.

Are any of you planning on making the Rt. 66 Fun Run in May? We are planning on going again this year. Maybe we will see you there.

The tours on both Friday afternoon and Sunday morning have both been featured in local "Man Cave" tours. Cozad's Antique Ford Garage is owned by Tom & Donna Cozad, local sign manufacturer, is an entire block that was purchased and refurbished in Old Town Gering. Tom created one of the most outstanding museums in the area featuring antique Ford cars and Dea Cola memorabilia. The Orphan Motor Company in Scottsbluff features many out of production vehicles with some for sale and has many outstanding dealership signs for Studebaker & Packard.

The Farm And Ranch Museum where we will be hosting the Cream Can Social is located 1 mile west of the host motel on Old Oregon Trail Rd. This museum was founded in 1988, is a locally funded, all volunteer organization dedicated to preserving and interpreting the agricultural heritage of the High Plains. Their website is [www.farmandranchmuseum.com](http://www.farmandranchmuseum.com).

The Scotts Bluff National Monument is located 3 miles west of the host motel on Old Oregon Trail Rd. Their website is [www.nps.gov/SCBL/](http://www.nps.gov/SCBL/).

Legion Park (car show) is located just behind the host motel. The Gering Civic Center (Awards Banquet) is next
