DRIVE YOUR STUDEBAKER DAY SEPTEMBER 14, 2013 DESTINATION: RACEWAY BAR & GRILL 49237 W. PAPAGO RD., SUITE 007, MARICOPA

- ◆ Meet at the IKEA, I-10 and Warner Road, in the parking lot for 9:30 am departure to Maricopa.
- ◆ The first stop will be a visit to the Dwarf Car Museum, 52954 W. Halfmoon Rd., Maricopa. Host Ernie Adams will give us a tour of his workshop where he builds his dwarf cars and displays his trophies. We plan to be there by 10:30 with a one hour visit.
- ◆ Then, on to the Raceway Bar and Grill (about 7 miles) where there will be a Studebaker Treasure Hunt. Keep your eyes peeled for all the amazing items you will find on the Raceway grounds both in the front and in back during your hunt.
- ◆ After the treasure hunt, it will be time for lunch off the menu in the back half of the restaurant which has been reserved for us.
- ◆ There will be door prizes, a 50/50 drawing and time to take another look around and even play some pool.
- ◆ We promise you will have a good time so get your Studebaker filled with water and gasoline and join your fellow chapter members for this annual event.
- ◆ Please plan to attend even if you can't drive your Studebaker. Join in the caravan from IKEA to Maricopa. Everyone is welcome.
- ◆ A recovery vehicle will be following the caravan, thanks to Ken West.

From the Editor's Pen.....

You will find interspersed among the other articles several blurbs about the upcoming zone meet. The registration form, which has been available on line and at many events, is printed in this newsletter for your convenience. Please note there are two deadlines this month. The room block at the Holiday Inn and special rate of \$79.00 per night, which includes a breakfast buffet, are good through September 20th. Then, on the 27th early meet registration ends. After the 27th, a late fee will apply. Please take time now to reserve your room and register for the meet.

Outdoor swap spaces are available for \$10.00, no limit, for selling those extra parts you've accumulated over the years. Many people look forward to the swap meet and the more vendors there are the better the hunt.

The committee is eager to welcome guests from around the zone to Mesa and the Holiday Inn and we hope to see all of you at the meet, too.

Thanks to this month's contributors - Ed Smith, Linda Smith and Dan Kuhl. October's submissions are due September 20th.

See you on Drive Your Studebaker Day.

Chris

Condolences from the Chapter to

Ruth Henry on the passing of her husband, **Frank**, on July 28th. Frank and Ruth have been members of the chapter for several years and, although they did not own a Studebaker, Frank had a special interest in classic cars. A gift in his honor was sent to the Studebaker National Museum.

Karen and Pete Mensing and the Kroulik family on the passing of Karen's mother, Elaine Roll, on August 22nd. Elaine and her husband Mo were members of the Chapter in the past and the Mensings are the caretakers of the 1959 Lark they drove.

Best wishes for good health to

Cheryl Monico
Phyllis Olson

From the President

They say that the summer is about over but you never hear who they are or where they live. We know that summer is really never over. It just changes from hotter to hot. This is one reason we say, as a Studebaker owner and enthusiast, that **We Invented Cool**. Taking time to gaze at, come to think of it you can't just gaze at a Studebaker, it takes a long look to enjoy the exceptional styling. The distinctive Bullet Nose and the boxy Lark don't just receive a passing glance but they stir a memory. There are many people who can recall a story about a Studebaker and even more who will tell you about one of the unique Studebaker styles.

Let's remind people just how much influence Studebaker had and still maintains today. It is impressive how in 1910 there were nearly 300 American automobile companies in business but by 1963 only five remained with Studebaker being one of the survivors.

Studebaker led post war design with the all steel turret-top which was the rage for several years. The bullet shape and the curved back windows of the '47 Champion made people wonder if it was coming or going but regardless of this fact it was a strong design influence for other manufactures. As compacts crept in, Studebaker steered the way with the start of the Lark in 1958. Later the introduction of the Avanti and the GT or "Super" Hawk gave the public high speed touring cars without the demanding effort required of a true European sports car.

Today the Studebaker Drivers Club is surviving as one of the largest classic car clubs in the world. This is in part due to the meetings and activities organized by local chapters and zones throughout the world.

We are starting to turn up the heat on the hottest show in the East Valley. We are asking owners and enthusiast to sail in with their cool Studebakers and heat up Mesa at our Pacific Southwest Zone Meet. A good hotel, good food, good entertainment, great cars and the greatest people will all be converging for a wonderful weekend. Seize the moment before time passes us by. Join in the exuberance with new and old friends.

If you want to see how your car will perform don't leave it in the garage. Let's resurrect some old memoirs and start building new memories of how great Studebakers are. Join in the international Drive Your Studebaker Day. There should always be a desire to learn something useful so we have planned for a bit of educational insight and it might even include a little fun and food.

Don't regret the things that you've done, regret the things you didn't do when you had the chance. Come out and join us the first Saturday every month as the Grand Canyon State Chapter sponsors a cruise in at the Good-year Brass Armadillo. For just a few short hours, 8 am to 11 am we will eat, converse and show our vintage vehicles. Browse through some history in the store but always remember, you cannot go back and make a brand new start however; you can start from now and make a brand

July Happenings

July was hot but Studebakers are hotter!!

By Linda Smith

The Grand Canyon State Chapter visited the Organ Stop Pizza on Sunday, July 14th and we had a great turn out. Thirty five people and six Studebakers ventured out in the Arizona heat. Most of the Studebakers do not have air conditioning but we didn't let that keep us away!! Members present were Steve & Paulette Fein, Richard & Lynn Phegley and one guest, Neil & Ruth Bell, Denny Lockmon, Gary & Sandie Keating, Sherry Watson, Mike, Sue & Shayna King,

Scott & Barbara Grainger and their 4 guests (son and family), Dennis Lynde & Linda Saar, Chris & Rachel Eastburn and Chloe & Aubrey, Bill & Peggy Eastburn, Michell Eastburn, John & Kim Rodhouse and Ed & Linda Smith.

The door prize drawing for a \$10 gas card was won by Lynn Phegley's sister-in-law; the \$20 gas card to a member who drove a Stude was won by Kim Rodhouse. Scott Grainger brought a stack of paperback books to give away and Shayna King won those. We also had a Zone Meet T-shirt drawing and Scott Grainger's grandson, Dakota, was the lucky winner.

Thanks to everybody for coming out and enjoying great pizza, the entertainment and Studebaker friendship.

Six Studebakers braved the hot weather - a 1951 Stakebed, 1950 2R5, 1960 Hawk, 1954 Commander, 1963 GT Hawk and Toto.

Studebaker people are the Greatest!!

BENEFIT CAR SHOW FOR FAMILIES OF THE 19 HOT SHOT CREW MEMBERS

By Scott Grainger

My grandson, Dakota Grainger, and his friend Cole and I took Barbara's '51 Studebaker Land Cruiser, LC, to the benefit car show on July 27th. There was one running Studebaker when we arrived at 5:15 pm, Dennis Roeper's M16 tow truck, Tow Mater. By the time we left at about 8:30 pm there was one Packard, one good looking R series pickup**, one junker '51 coupe body and a nice looking 1939 Commander (highly modified under the hood) and something close to or greater than 1,000 other cars, trucks and motorcycles.

Bill and Peggy Eastburn were there and they may have driven a Stude. Certainly the Corvette club(s) gets a nod for having a very large number of their member's cars present. There were some awards given out, I was told, but they weren't announced while I was there. If you got bored looking at cars there was a band that played some good gospel/blues/folk music.

Dakota, Cole and I went to the Pavilions car show on the way home. By the time we arrived LC was one of a few cars parked in the pre '71 section. I didn't take any photos of the cars we saw as it was too dark. LC was the only Stude in attendance and she drew quite a crowd just as she did at the benefit show. We had a great time.

***The good looking R series pickup belongs to Alan and Jere Tudor. Dennis Roeper reported seeing Peggy and Paul Stinson at the show, Peggy with her Wagonaire and Paul, his Ford street rod.*

The Chapter board approved and sent a \$50.00 donation to benefit the families of the 19 firemen lost in the wildlands fire near Yarnell. Bill Gilmore, one of the show organizers, reported over \$6,000.00 was raised from show attendees and other supporters. Thanks to the chapter members who supported this great cause.

Photos of the Organ Stop Pizza get together and the benefit car show can be seen on the chapter Facebook page: <https://www.facebook.com/pages/Studebakers-Grand-Canyon-State-Chapter/189897701040009>

SEPTEMBER 7 CRUISE IN AT BRASS ARMADILLO

The Chapter is hosting an all makes vintage car and truck show the first Saturday of each month at the Goodyear Brass Armadillo, 13277 W. McDowell Road, from 8:00 am - 11:00 am. This will be the third month for the show and each month the number of cars has increased. Come out and enjoy the morning at the antique mall with a free breakfast for all participants courtesy of the Brass Armadillo and a chance to find a treasure you've been wanting in the mall.

SEPTEMBER 8 BOARD/ZONE MEET MEETINGS

Time and location TBA.

OCTOBER 5 CRUISE IN AT BRASS ARMADILLO

8:00 am - 11:00 am with a free breakfast for all participants who display a vintage car or truck.

NOVEMBER 17 CHAPTER MEETING

Plans are being finalized for a member hosted event at the Ken and Arlene West residence. There will be more details in upcoming issues of the *ECHO*.

DECEMBER 7 HOLIDAY PARTY

The Chapter's annual holiday party will held at Scott and Barbara Grainger's home in Mesa. Please plan

on attending.

The meal will be a pot luck: A-L please bring a dessert of your choice. M-Z please bring a side dish (salad or vegetable) of your choice. The chapter will furnish the meat, rolls, drinks and table and chairs. After the meal we will have our annual auction, announce the 2013 Member of the Year and the officers for 2014, and the 2014 Chapter calendar will be available.

There will be plenty of parking spaces and room for enjoying the day and a meal with your Studebaker friends and their families.

For more information about any of these events contact Linda at 602-618-7691 or lindagsmith@cox.net

Thank You.....

I want to thank all the members who called and sent cards with the passing of my wife Jan. We were married 54 years so I miss her every day.

A special thanks goes to Richard Dormois for arranging the memorial service for her at the International Meet in Colorado Springs. Sid Rosen, Chris Collins, Brian Millette and Joselyn Caskey all spoke well of her at the service. It was very touching and emotional to hear them speak.

Having been in SDC for 42 years we have made many long time friends and the support was unreal. Thank you again.

Denny Lockmon

A memorial service for Jan will be held Saturday, November 9th at Lakeview United Methodist Church, 10298 W. Thunderbird Blvd. at 10:30am.

Studebaker people are the greatest and to give you a good example take a look at Carol Aden. She is an energetic person that is always willing to get the old Stude on the road and even when it is uncooperative she is there to lend a hand at what needs to be done. The support she shows for the club is evident by the jubilant attitude and the fact that even when the car does not show she will spread the Studebaker message with her enthusiastic outlook and with a zone meet t-shirt proudly worn.

Ed Smith

My Studebaker member is dedicated, helpful and always willing to offer some great ideas and is often a chauffeur to other members. She always has a smile and some great jewelry. Can you guess? Here's a picture!

Thank you Claudia Robinette for being such a great board member and friend.

Linda Smith

Another Chapter member who is an example of a great Studebaker person is Mary Powell-McConnell. Mary has been a long time employee of the Arizona Sonora Desert Museum in Tucson and with her late husband, Jim, donated a Lark station wagon to the museum to use for educational purposes. The Lark Ark transports museum animals to schools and is displayed at local car shows and other functions to promote the museum.

Mary is generous in her donations to both the Southern Arizona and Grand Canyon State Chapters with items for raffles and auctions. We were the beneficiary of many of Mary's creative gift baskets in 2010 for the SDC meet held in Glendale.

Watch for Mary and the Lark Ark at the Pacific Southwest Zone Meet in Mesa and be on the look out for one of her great gift baskets at the raffle table.

ZONE MEET BANQUET

The zone meet committee hopes everyone attending the zone meet will also attend the awards banquet Saturday evening. It is the culmination of a successful meet and where we celebrate the hard work of everyone who entered their Studebakers for judging.

For the meal, three nice entrees are offered and now the hotel is also offering a chicken tenders and mac and cheese meal for any children ages 10 years or younger at \$15.00 per child.

The child's meal is not included on the registration form and if you would like one or more of the meals, add the appropriate amount to the total.

ZONE MEET TECHNICAL SEMINAR

One of the most experienced Studebaker mechanics in the chapter will present a seminar at the Pacific Southwest Zone Meet on Friday, October 11th beginning at 4:00 pm in the hotel parking lot.

Scott Benson will have some tips for Avanti owners that are not in the shop manual and then he will have a Q and A session to answer mechanical questions about Studebakers. If you would like to let Scott know in advance about a problem you'd like addressed, please contact him at 602-568-7999.

ZONE MEET NOTES

Our Pacific Southwest Zone is comprised of the states of Arizona, California, Hawaii, Nevada and Utah. When a zone meet is held, Studebakers will be driven or trailed from all over the zone and everyone attending can enjoy viewing many fine vehicles. We hope your Studebaker will be among them, whether for display or to be judged. If you have not registered for the meet please do so as soon as possible to help the meet committee in its planning and to insure we have a good turnout of Studebakers.

The meet committee also counts on the members to help in any way they can to make the meet a great event for everyone. Here are some ways you can assist -

- **HOSPITALITY DONATIONS:** Chips, snack mixes, pretzels, popcorn, cheese and crackers, fruit or vegetable plates, cookies, bars, water and soda are all needed and welcome. Breakfast items for Saturday morning would also be appreciated. Please take your donation to the hotel either Friday afternoon or early Saturday morning. Contact Linda Smith at 602-290-1045 to let her know what you are bringing.
- **SILENT AUCTION AND RAFFLE ITEMS:** Donations have been committed for the silent auction and the raffle but more are needed. Contact Claudia Robinette at 480-464-2526 about a donation.
- **CONCOURS JUDGES:** If you can determine the cleanliness and condition of a vehicle, you can help judge. Others will determine authenticity. If you have an interest in SDC judging, contact John Rodhouse at 480-244-3763 to volunteer your services.
- **GOODY BAG ITEMS:** Sherry Watson will be filling goody bags and needs a few more items. If you can solicit car related or other goodies in the range of 50-100 items, please contact her at 480-710-4493. You can bring anything you have to the September event.

There is more contact information on page 5.

VALVE COVER RACES AT ZONE MEET

There's still time to make and bring a racer to the meet using a Studebaker valve cover. Here are the rules:

1. Must be a Studebaker valve cover.
2. Total weight cannot exceed 10 pounds. There will be an official scale.
3. Total length must not exceed 10% over stock length of original valve cover.
4. Dimensions may be no longer than 12" high or 12" wide.
5. No sharp edges or sharp protrusions on the racer.
6. Must be gravity powered. Absolutely no other power source allowed.

There will be practice on Friday evening, the 11th in the hotel parking lot and races will be held Saturday afternoon, also in the parking lot.

NOT JUST ANOTHER COOK BOOK

By Dan Kuhl

This cook book was originally written in 1989 and has been reprinted twice since then. The book's recipes are separated by region in the United States, with a separate section for international recipes.

The name of the book is *Manifold Destiny* written by Chris Maynard and Bill Scheller. The book title is a spoof on "Manifest Destiny", a belief from the 19th Century that American settlers had the right to expand across the continent. The premise or foundation for this book is that meals can be prepared by cooking them on the exhaust manifold of your Studebaker, or for that matter any car manifold, while driving to your destination.

To activate your taste buds, some of the recipes for our region include the Ford F-150 Texas Wieners, Poached Fish Pontiac, Donner Pass Red Flannel Hash, and Smart Car Salmon for Dummies. Most of the recipes in the book require home preparation. Cooking instructions are another story. Instead of temperature and cooking time, the cooking process is determined according to distance driven, usually from 30-80 miles.

This idea of cooking on your car's manifold started back in the days before McDonalds or Taco Bell, when people had little money to stop at a roadside café. Because there were many Model T Fords on the road then, this form of gourmet delight is associated with them today. Frank's "T" Parts, Ltd. offers a cooking oven that will mount right onto the exhaust manifold of a Model T. There is one made to fit the manifold on a Model A Ford as well. Someone with a little Yankee ingenuity might be able to get one of these cookers to fit a Champion or Commander six.

With all this talking about food, I think I will wrap a couple hot dogs in aluminum foil, throw them on my truck's engine, and head for the car show at 67th and Bell. I can only hope that the distance is long enough to prepare the dogs to my liking. Well done, of course.

Hot Dog Surprise

(for trips longer than to the local car show)
Distance: 40 miles

10 hot dogs

American cheese (or boutique-brand Wisconsin cheddar, if you have an expensive car), sliced into hot dog-length fingers

10 slices bacon

At home or on the road, cut a deep slit in each weiner and stuff with fingers of cheese. Then wrap on the diagonal, like an old bias-ply tire, with the bacon. Seal individually in foil.

These are great for stuffing into those odd places on the engine where you can't fit a turkey or a suckling pig. Cook about 45 minutes, or until cheese is melted and bacon is somewhat crisp.

1940 Commander 2dr cruising sedan, 226cid, OD, hill holder. My honey and I drove this car all over Phoenix and the Southwest for over 30 years and 60,000 miles, 50K in 3 years. Recent upgrades include total brake rebuild with SS liners, new bearings and seals, balanced front drums; king pin rebuild; frame checked by shop; engine rebuild: .030 over, .010-.010 crank, Total Seal rings, ported and relieved, cam, 9 to 1 head, Mallory electronic dist. and coil, totally dynamically balanced including flywheel and clutch. Will turn 4,000 all day. Body is very sound but needs minor work and paint. Car is well behaved. Needs TLC but is a kick to drive any where, any time. Will train new owner in care and feeding. \$7,500 Carl 623-979-5566 (1)

1940 Commander Business Coupe (Not many left.) Body, doors, deck lid, running boards, hood sides, front and rear fenders and nose piece, no hood. Body has no dents and rust only on and under deck lid. Original paint and primer, aged. Frame has no suspension and front cross member is gone. I do have a '39 President hood and nose piece, which will fit, but no hood sides or

running boards to match. I also have a '79 Firebird front suspension, narrowed 2" and that rear axle with springs. 116" wheelbase as a Commander 121" as a President. This car has a gorgeous shape, better than Zephyr and will look great when done! Bring your trailer and some extra help (my back is gone). It will have to be carried from the back to out front. \$3000 Carl 623-979-5566 (1)
