GCSC HALLOWEEN PARTY AND MEMBERSHIP MEETING

HOSTS: The Eastburn Family
WHEN: Saturday, October 28th at 5:00pm
WHERE: The Home of Bill & Peggy Eastburn
 6314 West Fillmore Street, Phoenix
 (Exit I-10 at 59th Ave., go south to Fillmore, right on Fillmore to 6314.)

How do mummies hide?
They wear masking tape.

Chapter members are invited to an evening of haunts and chills and, hopefully, no mummifications.

All ages are encouraged to dress-up and join in the festivities.

A pumpkin carving/decorating contest will take place as well as people's choice voting for best costume.

Dinner will consist of a competitive chili cook-off; if you would like to participate in the chili cook-off and/or you would like to assist with side dishes let us know. Drinks will be provided by the club. Please bring your chairs.

We can't wait to see everyone this year, in costume, of course!

Please contact Michell Eastburn or Peggy Eastburn at 623-936-6116 or michell.eastburn@asu.edu for reservations and details.

From the Editor's Pen.....

The newsletter is a bit late due to a computer malfunction. My apologies for the delay.

There is an update on last month's story from the June, 1972 chapter newsletter about Chuck Naugle's Daytona convertible: your editor received a note from Susan Lusted, the editor of "What's Happening" in *Turning Wheels*. She reports the car was sold to a member of the Hamilton Chapter who sold it to Susan and her husband. She said, "It is still a beautiful car, we loved it." The car is now in Brighton, Mass. It's good to know its whereabouts.

Thanks to Scott Benson for renewing his ad on page 10. Please consider our advertisers when shopping for services or products they provide.

An article that first appeared in the *Saguaro Sage* and written by Fred Gooch is on page 9. It gives a little history of one of the most successful Studebaker dealerships of the day owned by the family of one of our own members. It's an interesting story.

A big thank you to our contributors this month: Michell Eastburn, Ed Smith, Dan Kuhl, Malcolm Stinson, Pete Yuen, Fred Gooch, Sid Rosen and Richard Dormois.

Hope to see everyone soon at an event.

Chris

LOOKING AHEAD TO 2018

The Chapter's annual winter meeting will once again be held at Martin Auto Museum, 17541 N. Black Canyon Hwy, Phoenix on January 20th from 10am until 3pm. There will be a car show with people's choice awards and members will have the opportunity to sponsor an award. A swap meet will also be held in the parking lot.

Lunch will be catered. Door prizes will be awarded and donations are welcome.

If you need additional information contact Michell at michell.eastburn@asu.edu or 602-803-1359

SCHOLARSHIPS AVAILABLE

The Studebaker National Foundation has \$1,500.00 scholarships available for qualified students. Please visit <http://www.studebakernationalfoundation.org> to download an application.

You can also contact Brian Millette at 602-300-5313 or abmillette@cox.net if you have questions about the SNF scholarship program.

The ECHO is the official newsletter of the Grand Canyon State Chapter, SDC and is published 11 times per year. Contributions are welcome and encouraged. Please submit articles, tech tips, etc. by the 20th of the month preceding publication. Other newsletter editors are welcome to use any material with proper credit given.

VP NOTE

By Michell Eastburn

Cooler weather is approaching and that can only mean one thing...pumpkin flavored everything...or better yet, more car shows/events!

September started our fall events with a bang. International Drive Your Studebaker Day was triumphant as we had 11 Studebakers driven, a Goat Wagon, and one Studebaker in the show room. Thank you to those of you who joined in, I hope you enjoyed the "oohs" and "aahs" Brown's Classic Auto had to offer as well as the breakfast delicacies.

As we welcome October with open arms please plan on bringing your 'orphan' Studebaker out for the Orphan Car Show on Sunday Oct 15th; the club will provide drinks and lunch. Oct 28th a chapter meeting will be held at the home of Bill and Peggy Eastburn. See the calendar for more information.

The board has begun to plan for the 2020 zone meet and is looking for several spry individuals that would like to join the team. Members are needed to help with things such as awards, door prizes, event location, hospitality, advertisement, auction, swap meet, car show, parking, security. If you would like to assist with the meet steering committee or other areas please contact a board member.

At Drive Your Studebaker Day Keith Graham and Bill Eastburn talk Studebaker in Brown's parking lot replete with Studebakers.

NOMINATIONS FOR 2018 OFFICERS AND BOARD

Submitted by Ed Smith, Nominating Committee Chairman

The time has come for all of us to think about the next year of our great Studebaker Drivers Club. We need to ensure that we can continue to provide all members with great locations to show off our wonderful cars and trucks and that we can have time together to continue our friendships in an away from home setting. We also need to ensure that The Grand Canyon State Chapter will remain as a leading force in the future.

There are several ways in which all this can be accomplished.

- First would be to tell the board members your ideas for locations that most would appreciate and it is always enjoyable to include a little education at the same time. We may forget things but we never stop learning.
- Second way would be to add your expertise at an event whether that be helping to set up or break down or talk about an experience that most would enjoy or learn from like what to do about a soft brake pedal or constantly discharged battery prevention or even what you happened on your latest excursion. Little things can go a long way.
- Third way would be to run for an office or board position.

Here is your Chance to Make a Difference. You will gain an opportunity to make a difference in your club. Board service gives you a strong voice regarding the club's mission. If you serve on the board, you'll have more say regarding the club's policies and practices.

- People have a different perception of you. There's a positive shift in your reputation and credibility.
- Giving Back. You'll enjoy the fulfillment that comes from giving back to the club.
- View board service as a rewarding way to share your skill set and talents with others that serve the same particular passion. You might have a cause that is close to your heart. Your help and guidance will contribute not only for that cause but others favorite causes as well.
- The biggest takeaway about serving as a board member is that you can be realistic and true to yourself and the club. If you take your service seriously and act in the best interests of the club, you will play an important part in maintaining the overall level of club's governance that exists in the Grand Canyon State Chapter's community and beyond.

Your board consist of the President, Vice President, Secretary, Treasurer, and 3 board positions.

If you are interested in running for a position on your board please let me know. If there is someone you think would be a board member share that name with me so I can personally contact them for the great news. All nominations must be in before the 20th of October so they can make the ballot in the November *ECHO*. Let me know - **Ed Smith, 602-290-1045, edcollects@cox.net**

Studebakers are Great! Studebaker People are the Greatest!

DRIVE YOUR STUDEBAKER DAY

September 9th at Brown's Classic Autos, Scottsdale

Minutes submitted by Richard Dormois

Vice President Michell Eastburn welcomed thirty three members and guests at 10:00 am to the International Drive Your Studebaker Day gathering, thanked members for driving their Studebakers and introduced our host, Pam Contes, and thanked her for the nice brunch.

Pam Contes, Brown's Classic Autos sales manager, expressed her appreciation to the Chapter for choosing the vehicle purveyor to have their meeting and invited them to enjoy the forty one cars and trucks in the consigned inventory and to contact her with interest in buying one. Pam encouraged folks to take home leftovers from the buffet.

Secretary Richard Dormois reviewed the offer by Zone Coordinator Fred Ball to host the 2018 Pacific Southwest Zone Meet due to the Sequoia Chapter pulling out and the board's decision to decline for lack of time to prepare. He said Joe Guthrie tendered his resignation as president and cancelled his membership in the Chapter. Richard announced Chuck Collins' natal day today.

Linda Smith told of the Studebaker National Museum automobile raffle with three tickets for \$100.00.

Member chairman and ECHO editor Chris Collins reminded members of the upcoming election for offices and the board and to get nominations to Ed Smith. She told of future Chapter events: Orphan Car Show at Los Olivos Park (Carl Reid spoke of arriving early to reserve a shady area for the Studes), Trunk or Treat at a venue to be determined, Pacific Southwest Zone Meet in Clovis, Calif. She asked members to seek applicants for Studebaker National Foundation scholarships.

Board member Richie Fein sold 50/50 raffle tickets and Chuck Collins won half the pot of sixty dollars. Eight in attendance received nice door prizes provided by members. The longest distance driven in a Studebaker prize was won by Patrick Eastburn in his 1951 Champion at 46 miles.

The business portion of the gathering was concluded at 10:30 am.

Attending in Studebakers were Chuck and Chris Collins, 1963 GT Hawk; Steve and Paulette Fein, 1966 Cruiser; Mike and Sue King, 1957 Silver Hawk; Carl Reid, 1963 GT Hawk; Bill and Peggy Eastburn, 1963 Wagonaire; Ed and Linda Smith, 1951 Stakebed; John, Kim and Callan Rodhouse, 1950 2R5; Keith Graham, 1962 Sky Top; Patrick Eastburn and family, 1951 Champion; Chris Eastburn and Preston, 1963 Champ; and Michell Eastburn, Goat Wagon.

Stalwart Stude fans attending who were unable to drive their favorite conveyance were Richard Dormois, Claudia Robinette, Richie Fein, Bill and Judy Barker, Garry Klinger and Neil and Ruth Bell.

Thanks to all for coming out for another great Studebaker event and to Pam Contes for the hospitality.

Other members wrote your editor about their DYSD activities: Denny Lockmon attended an Avanti meet in Denver; Dan and Corlean Kuhl drove their 1959 Scotsman pickup to breakfast and also helped out a woman with a 1961 Ghia convertible; Paul and Phyllis Setaro drove out to Brown's hoping to meet up with the gang but arrived after we had left so went on to have lunch at the Italian Club.

MEMBER NEWS

Richie Fein sent the photo on the left of a page in a Studebaker calendar that features his 1957 President State sedan. The calendar is published by Madd Doodler Publications and if you would like one of these calendars see the ad on page 55 of the October *Turning Wheels*.

Featured in the "Reader's Rides" column in a September issue of *Old Cars Weekly* was **Dave Kirkel's** 1963 GT Hawk.

The Avanti Owners Association International (AOAI) will take part in the annual Muscle Car and Corvette National show in suburban Chicago, November 18 and 19. They will be presenting a timeline of production Avantis from 1963-2007 and **Dale and Norma Sexton**, GCSC members, will be showing their AVX Avanti in the display.

Congratulations to our members mentioned above for being recognized for their Studebaker or Avanti vehicles.

HELP NEEDED by Malcolm Stinson

The Show Low meet is coming along just fine and I am having another brain storm.

I would like to set up a static display of Studebakers at the Days Inn. If I can find a Studebaker wagon or two, then if members would like to park their car for about 10 days starting with the earliest car I can find and then cars up through the years ending with the 1966 Daytona. I plan to make up some posters to show a little history of Studebaker. Personally I feel this is a great way to show Studebaker to the public. One car of every ten years would be just great. Can any of you help me put this together by lining up wagons and cars for this event?

I am willing to transport to and return any of these that we can find. If you can help, please call me at 928-368-7442 or email at swstudebaker@live.com

Thanks for any help you can offer.

TECHNICAL INFORMATION

Brakes That Fail to Release

After the brakes have been applied and should one of the wheels fail to release it could be that one of the flex hoses may be deteriorated. The pressure when the brakes are applied would force the fluid into the wheel cylinder but the fluid would not flow out of the wheel cylinder because of the blockage in the deteriorated hose which results in the linings rubbing the drum or rotor and not being able to release. It is advisable to get this problem corrected as soon as possible.

COOL CLASSIC CAR SHOW

September 16

By Ed Smith

It was a perfect day for a Studebaker show. The weather was so good that you didn't even notice you were right next to the Ocean. San Diego is always a good choice if you want to proceed out of the heat of Phoenix with your Great Stude. There were 31 Studebakers, 2 Packards, a Pierce Arrow and 1 Triumph present. It is nice when you

Colin Fort's very nice Packard Wagon.

09/16/2017 08:56

get to compare other classics to our wonderful Studebakers and we had a good chance to do that with the 1952 Packard and the

1947 Triumph being so much different. People's choice went to the only Hawk that flew in.

Ex SDC VP Don Cox, the fantastic DJ, was driving the music that can win you great door prizes by just identifying songs or artist. There were tons of raffle prizes including 100 piece tool sets from Kobalt, you never have enough tools. It is really neat to have people that are just strolling along the ocean side, and there were a lot of them, to take time to view your car.

As an added bonus to the already great weekend we got to join in celebrating Don Cox's birthday (39?) and shared a nice cake depicting 55 years of marriage for Bud and Dee Gruver. An excellent time was had by all and the only complaint was why can't we do this every month.

STUDEBAKER REO M60 TO THE RESCUE

After the devastation of Hurricane Harvey, a family of eight Houston residents were rescued by a pair of Good Samaritans in a Studebaker REO M60 who took the massive vehicle into waters the biggest SUV couldn't navigate.

The truck's owner, Moshiko Chen, said his bout with illness gave him a sense of responsibility to assist during the disaster - "We help everybody." His friend added, "If there's a disaster coming or a war everybody becomes family to each other."

THANK YOU, TERRY WORSTER

By Richard Dormois

Terryll Elwood Worster was born on June 25, 1932 to Gordon and Iris Worster, a farming family, in Algona, Iowa, where he was raised. Later in life, he migrated to California, where he studied Art and History at San Francisco State University, earning a Bachelor's Degree. Terry

was a career Correctional Officer at San Quentin State Prison in Marin County, California, retiring in 1982 as a Lieutenant after two decades of service.

Upon retirement Terry pursued several interests with vigor, including fashioning miniature old west and military figures of lead, resin and pewter. In 1985 he became active researching, collecting and restoring Studebaker automobiles. He made many friends, as a resource, imparting his knowledge and helping members with their restoration projects. He was a member of the Studebaker Drivers Club and several Chapters including the Grand Canyon State Chapter this past decade. Terry is remembered by many for his organizational skills at national and regional meets. He took an active role ensuring the meet went smoothly. I remember always looking forward to visiting with him at Pacific Southwest Zone Meets.

Terry Worster passed away Sunday, September 3, 2017 of heart failure with Joanna, his wife of forty six years and nine months, at his side. He leaves his daughters Debbie and Nancy, three grand children, three great grand children and many friends whose lives he touched in such a positive way.

Thank you, Terry Worster. You will always be remembered for your caring, your sharing and your dapper appearance.

The family invites you to make a donation to the Studebaker National Foundation in Terry Worster's name. www.studebakernationalfoundation.org.

Your are invited to a celebration of Terry's life on Sunday, October 21, 2017 at 3:30 PM at Perry's Café, 475 North Magnolia Avenue, El Cajon, California, 92020. Call 619 440 5724 if you get lost. Should you be interested in Terry's estate, you may call Joanna at 619 258 1888.

SOUTHWEST MOTOR CO.

By Fred Gooch

There are other interesting things that we learned during the Tombstone Bisbee ASC tour and here are a few to enlighten everyone. Sid Rosen's father, Fred Rosen, sold luxury cars like the Auburn, Cord and Dusenbergs to want-a-be stars in Los Angeles in the early '40s. While making a delivery to Tombstone for a movie he discovered inhaling chlorine gas in Tombstone helped his crippling arthritis and so he sold his dealership in LA and moved to Tombstone. A couple of years later the FDA shut down chlorine gas inhalation but Fred stayed and became so successful selling Studebakers in Bisbee that (his dealership in) Cochise County out sold Ford, GM, and Chrysler – the only place in the U.S. to do so. Moving to Tombstone in the 1940s was quite a challenge and Fred had no place for his family of four so the only place there was was the basement of the Episcopal Church. Now he was known as the Episcopal Rabbi!

The Rosen Studebaker dealership operated at the location that is now the Lavender Pit Mine so after a failed resistance he moved to Bisbee into what is now the Firestone Tire shop. The Rosens moved to Tucson just as the 1957 Golden Hawks were hitting the Bisbee showroom.

When the Rosen family moved to Tombstone Sid was around 4 years old and he met two other Jewish boys about the same age. They became life long friends and all three spent time with us Saturday and Sunday telling their stories of Tombstone, Bisbee, the Rosen family, Studebakers, the Birdcage Theater, Masonic Lodge and many other memories.

Sid told us about the Phoenix area dealers getting one Speedster when they came out but because of his father's sales he received 6 or 7. At the time Sid was only 15 but convinced his dad to let him borrow one for a dream date with a girl he liked and his father agreed. He drove down alley ways, picked up his girl, had a great time and returned the car unharmed. Then on another occasion a 1938 Plymouth was gifted to Sid's' gang so they decided to go hunting. With two boys sitting on the headlights with guns and the other driving they got pulled over. They were relieved of their weapons and ordered to appear before the game warden. None of them can remember the outcome. Good training for a future barrister!

Thanks to Sid and friends for story telling hour and to Richard Dormois for setting up the tour.

Edited from the *Saguaro Sage*, newsletter of the Arizona State Chapter, ASC, Ed Smith, editor.

Sid Rosen is a long time Chapter member and several years ago was able to find and purchase a beautiful Speedster. He also owns a GT Hawk which he drives frequently.
