Happy Father's Day to all the Chapter Dads!

Studebaker is mighty proud of this father-and-son war team

The sergeant's father has been busy on an important Studebaker war production job — A veteran of over 32 years' Studebaker employment, this head of the Kowalski family has two sons in the United States Army — Edward, as well as Roman, his former Studebaker team-mate.

**YOUR WAR BONDS HELP
KEEP AMERICA STRONG**

*Although half the world apart
they're still "working together"*

THERE'S a lot more difference between India and Indiana than is represented by spelling and geography.

No one knows this better than U. S. Army Sergeant Roman Kowalski, now "sweating it out" as a radio operator in the steaming CBI theater, thousands of miles from his comfortable home in South Bend.

Until September, 1942, when he entered the armed forces, this young man had been a team-mate of his father on a Studebaker assembly line. Yet, although separated by vast distance, the two have continued to "work together" in a common cause as the father, with increased determination, helps Studebaker produce military equipment.

One reason for the exceptional endurance of Studebaker cars and trucks is the quality

of the craftsmanship which family teams like the Kowalskis have made their life work.

As the Studebaker employment roster shows, that kind of craftsmanship is a heritage which has been passed on from fathers to sons since Studebaker began business in 1852.

You may be sure the same high standards of motor car and motor truck construction will serve you faithfully in the finer new Studebakers that will be available one day.

—SECOND SATURDAY IN SEPTEMBER—

September 11

From the Editor's Pen.....

After the disappointment of hearing that the La Palma/Zone Meet was cancelled for May it was good to learn the Zone Meet is back on and will be held at La Palma Park in Anaheim Saturday, September 25th. See page 6 and 14 for information and make your plans now.

I often see members' names in *Turning Wheels* for contributions to the magazine. Recently it was Dick Riley with a letter to the editor about some of his Studebaker collectibles. Previously, his beautiful 1965 Daytona Sport Sedan was June, 2020's cover vehicle. Other members who have contributed in the past year are Malcolm Stinson, Dan Kuhl, Denny Lockmon, Alan Tudor, Richard Dormois and your editor. You, too, can submit a photo, article or letter and be published. Try it, you'll like it.

Thanks to Larry Read at Rhodium 45 for renewing his business ad on page 10. If you need a service or product one of our advertisers offers please consider them for your purchase. There is a space available for another ad so if you or a business you know would like to advertise please send a business card or ad copy and payment.

Thanks to this month's contributors: Michell Eastburn, Dan Kuhl, Steve Fein and John Rodhouse.

Drive your Studebaker. *Chris*

NEW MEMBER CHALLENGE

When a Chapter member recruits a new member to join SDC and/or the Grand Canyon State Chapter he/she will have Chapter dues paid for 2022.

Just ask the new member to mention your name on the application where it asks "Referred By".

CHAPTER NAME BADGE

Order your Chapter name badge with a pin back by contacting Chris Collins at ccollinsaz@cox.net or 602-995-2146. The price is \$5.00 each.

If you wish to have a magnet back on your badge, the price is \$6.00 each.

The name badges are available in the traditional brass and black with the SDC logo or a blue plastic with the Chapter logo.

Reminder: To be a member of the GCSC you must be a member of the Studebaker Drivers Club. If your dues are not current, please visit <https://sdc.cornerstonereg.com/> to renew.

The ECHO is the official newsletter of the Grand Canyon State Chapter, SDC and is published 11 times per year. Contributions are welcome and encouraged. Please submit articles, tech tips, etc. by the 20th of the month preceding publication. Other newsletter editors are welcome to use any material with proper credit given.

STATE OF THE CHAPTER

By Michell Eastburn, President

The Southwest Valley enjoyed Studebakers this past month at the Danzeisen Dairy Creamery store in Laveen. Thank you to all who participated in our cruise-in event and supported the local small businesses. We will have another cruise-in event in the central northern Phoenix area at LaMar's Donuts. Join us for our Father's Day Tribute and have an early morning donut while showing off our Studebakers and other classics along Bell Rd. Looking forward to July, the Chapter will be meeting for pizza and music from the Mighty Wurlitzer at Organ Stop in Mesa.

This past month many of us had to cancel our Memorial Day vacation in California but don't worry, the La Palma PSW Zone has been rescheduled to September 25, 2021; it'll be a one day event you won't want to miss. Visit <http://studebakersocal.com/>

"And I'm proud to be an American, where at least I know I'm free. And I won't forget the men who died, who gave that right to me." – Lee Greenwood

This past month we reflected on those who gave the ultimate sacrifice to allow this country to be free, may we always remember and honor those that never made it home. This month we will celebrate Father's Day and honor all they have done and will do. For me, I am thankful that my father, Bill Eastburn, (and a couple of his friends) decided nearly 50 years ago to create the Grand Canyon State Chapter of the SDC so that we could all be the Studebaker family and friends that we are today.

DAD FACTS

- 72 million** The estimated number of fathers in the U.S.
 - 29 million** The number of fathers who are also grandfathers
 - 2 million** The number of single dads living with kids under the age of 18
 - 18%** The percentage of single parents in the U.S. who are fathers
 - 191,000** The estimated number of stay-at-home-dads
- Facts courtesy of U.S. Census Bureau and Costco magazine.

Happy Father's Day to Dads everywhere.

Referred by Michell Eastburn

Congratulations to Makenna Kroulik on her graduation with honors from Northern Arizona University. Makenna earned a Bachelor of Science in Dental Hygiene and has joined a practice in Gilbert.

Makenna is the daughter of Lorilee Kroulik and John Kroulik, the sister of Kolton and granddaughter of Pete and Karen Mensing.

Best wishes to Makenna "making smiles brighter everyday".

Update from ADOT:

Submitted by Michell Eastburn

Selling a car? Protect yourself and complete a 'sold notice'. It's a free service and can be done at AZMVDNow.gov

Thinking of selling or trading in your car? After agreeing to a price, one of the most important things a seller can do is complete a "sold notice" with the Arizona Department of Transportation Motor Vehicle Division.

Wait. What's a "sold notice" and why is it important?

A "sold notice" ensures that MVD and law enforcement have a record of the vehicle's current owner. This can protect the seller from liability if the car is involved in a crash or crime, is ticketed, or becomes abandoned, which carries a hefty fee. There is no cost to complete a "sold notice" and it can be done online at AZMVDNow.gov (link is external).

Submitting a "sold notice" is easy. Simply, log-in to your account at AZMVDNow.gov and:

- Click on "submit a sold notice"
- Select the vehicle you've sold
- Enter the buyer's information
- Enter the date the vehicle was sold

Additional steps to follow when selling or trading in a car include removing the license plate and transferring the title to the buyer.

DANZEISEN DAIRY CRUISE-IN

By Michell Eastburn

On May 8th several members of the Grand Canyon State Chapter SDC met for waffles, milk, ice cream and, oh yeah, a cruise-in. Adorning the north side of Southern Avenue, just off the new Loop 202 South Mountain freeway, our Studebakers made a nice addition to the Waffle Love food truck at Danziesen Dairy Creamery Store. Members were able to enjoy stack shakes, several flavors of milk, and even cold brew coffee with their waffles and Studebakers.

A couple sets of wheels that haven't been seen for a while joined in the fun, one being Pumpkin, Bill Eastburn's 4x4 Champ, making its maiden voyage after a tragic accident 15 years ago and two, being Chris & Rachel Eastburn's newly painted 1959 Larkette that was brought out in their 1963 Champ.

Thank you to all those who joined in the morning festivities. Attendees included: Russ & Sharon Ware with daughter Jessica Ware (LC - 1951 Commander Land Cruiser), Jim Pruitt and guest (1963 Lark), Bill & Peggy Eastburn (Pumpkin, a 1962 4x4 Champ), Patrick & Patrick Eastburn (1951 Champion), Chris, Rachel, Aubrey & Chloe Eastburn (1963 Champ and 1959 Larkette), Larry Pohill and guest Bob Gasson (1962 GT Hawk and 1963 Avanti), Carol Westfall (Annie - 1950 Ford Sedan), Dolores & Richie Fein, Jim Clever, Richard Gomez, Will, Maryanne, Domenica, Gwenyth & Felicia Eastburn, and Michell Eastburn.

Larry Polhill, Russ Ware and Chris Eastburn talk Studebaker outside Danzeisen Dairy. The GT Hawk driven by Bob Gasson is parked next to Larry's Avanti, Bill Eastburn's 4X4 Champ and new member Carol Westfall's 1950 Ford.

Maryanne, Domenica, Gwenyth & Felicia gave themselves a sugar-high with a flight of stack shakes at the Danzeisen Dairy Creamery store.

1963 Champ, Chris & Rachel Eastburn

1951 Commander, Russ & Sharon Ware

1951 Champion, Patrick & Brischell Eastburn

TECHNICAL INFORMATION

Home made tools

By Studebaker Mike

I have been cleaning up a number of cylinder heads and blocks lately. You know that caked on crud you see in the cooling passages inside the head or block (mostly rust) and you can't quite figure out how to get to it. Well, I might have just the tool for that, and it's home made.

I use wire cable and turn it into a flexible wire brush. There are only 2 parts to making this tool, wire cable and copper tubing, and a crimping tool; I use a coax cable crimper. The key is matching wire and tubing so the wire just fits inside the tubing. Then any diameter wire can be used to make this tool to fit the job at hand. I have made them as big as 3/8" wire cable.

My favorite is 3/16" wire and 1/4" copper tube. Cut wire to desired length (12" to 18" works for me). Cut three pieces of tubing at 6", 1" and 1/2". Slide the 6" piece on first, this is the handle. At one end of the cable, take the 1" piece and crimp this to the cable, this end is captured in the drill chuck and prevents the cable from unraveling during use. At the other end, slip the 1/2" piece about 1" to 1-1/2" up from the end, crimp this to the cable. Using two pair of pliers, unravel and bend back the cable strands till it resembles a wire brush. Chuck it up in your hand drill and you're ready to go, BUT! YOU MUST RUN YOUR DRILL IN REVERSE. This is because most cable is assembled in a right hand lay. If the brush end of the cable gets wedged and stops turning the drill will keep turning the cable and open up the lay and render your new tool useless.

Reprinted from the *Hawk Talks*, newsletter of the Karel Staple Chapter. Jon Stalnaker was editor at the time the article appeared in the newsletter.

CELEBRATE!

For information about the original Cactus Derby from Los Angeles to Phoenix (1908-1914), visit <https://tinyurl.com/6bpp624m>

The Cactus Derby will be back again in 2022!

Much like a shorter version of the Great Race this "Time & Distance" Event, the Cactus Derby, will be a chance to allow teams consisting of a **Driver and Navigator** to compete. The event date next year is now scheduled for February 26th & 27th. This will be a two day event (Saturday/Sunday). It will start and finish each day at the John S Chaney Restoration Center in Sun City West (ARC Building).

The number of participants will be limited to 60 cars. ANY VEHICLE OLD OR NEW IS ELIGIBLE! The event course will take you around the rural communities in Arizona. This is an early announcement. **The event will be open to ALL.** We do expect some out of town... and out of state entries. **Training will be provided.** Other clubs will be invited, and will be competing! If you want to register early please do so **ASAP.** To be put on our list you need to email Tom Jones transportationdr@aol.com.

For more information contact Herb Clark: woodmedic@aol.com or 314-882-1530.

Steve Fein's Chapter Plate

Steve Fein sent this photo of his 1966 Cruiser sporting a plate with the GCSC logo and name. Another car club he belongs to has Chapter plates and he decided he would have a GCSC one made for his Studebaker. After checking on the internet he found a company that would make it for him.

After he received it he attached it to the bottom of his Arizona plate using two "S" hooks which is what he had done back in the '50s. Steve could find nothing illegal about mounting the plate below the state-issued plate. Alternatively, the plate could also be attached to front of the car.

If you would be interested in a similar plate, which costs about \$10-\$15, contact Steve to learn how to have one made for your car. His contact information is 602-692-4976 or studie66@hotmail.com

THE OTHER HOFFMAN DEALERSHIP

By Dan Kuhl

What Studebaker Corporation president left Illinois, moving to California to strike it rich, not in the gold mines, but selling Studebakers? He worked his way up from salesman to sales manager, and then to district manager. After a stint in the military, he opened his own chain of Studebaker dealerships in the Los Angeles area that turned a healthy two million dollar profit selling 16,000 Studebakers.

His sales prowess did not go unnoticed. Albert Erskine, President of Studebaker in the 20s, invited this California sales guru to come to South Bend to be VP of corporate sales. His tenure did not last long however; he soon moved up the ladder to president with the passing of President Erskine in 1933.

This renowned president ran the Studebaker Corporation from 1935 until 1948 when Harry S. Truman tapped him to help in the recovery of Europe following WWII. In 1953 he returned to Studebaker to be the chairman of the corporation.

Lathrop, on the left, at age 18, as he joins the military.

If you know your Studebaker history you have guessed this person is Paul G. Hoffman. He is important to this story because he had a son, Lathrop Hoffman, who took over his father's LA dealership when his father was back in South Bend trying to breath life back into the ailing Studebaker Corporation.

Working as the business manager at the Lathrop's dealership was Charles Janis. Charles was the father of Bob Janis who is a fellow member of the Auto Restoration Club here in Sun City West. Knowing of my fondness for Studebakers, Bob presented me with one of the three inch medallions issued in 1952 by Studebaker in celebration of their 100th Anniversary. The medallion is from the Lathrop

dealership. Talk about generosity; thank you Bob. Another example of why it's a small world when it comes to Studebakers.
