STUDEBAKER CHAMPION *El año del cambio*

En la compañía automovilística Studebaker, el equipo de estilistas encabezado por Virgil Exner creó al término de la guerra una gama Champion que rompía con el pasado. Sentémonos en esta berlina, más baja, ligera y acristalada de lo habitual en aquellos tiempos.

From the Editor's Pen

A letter from February, 1972 inviting Studebaker enthusiasts in the Valley to a get-together to share their common interest in an orphan vehicle is reprinted on page 8. The reason for the existence of the Chapter is the same today as it was in 1972 - Studebakers are worthy of our interest and efforts at preservation. The Chapter holiday party will feature a celebration of our 50th anniversary and the folks who wrote the letter and those who attended that and subsequent meetings will be remembered and honored. Please make plans to be part of the festivities.

Hope you saw Denny Lockmon's Larkamino on the inside cover of the October *Turning Wheels*. Denny's car is also featured in February of the Madd Doodler's 2023 calendar. See the ad in the magazine to order a copy.

If you have updates to your roster information please be sure to let me know at ccollinsaz@cox.net

Thanks to this month's contributors - Michell Eastburn, Larry Malmstrom, John Stearn, Warren Webb, Fred Wilharm, Steve Fein, Dennis Lynde, Stuart Tritt and Scott Grainger.

STATE OF THE CHAPTER

By Michell Eastburn, President

What an awesome turn-out we had for International Drive Your Studebaker Day on September 10th at Rudy's Country Store and Bar-B-Q. A total of 13 Studebakers and one Ford made an appearance and got a lot of attention from Goodyear locals! Fall is upon us and we are finally seeing the cool-down in weather so I hope to see our drivers out for our October Chapter meeting at the Orphan Car Show hosted by the HET Club at Los Olivos Park on the 23rd; come out and join other unique orphan cars while enjoying pizza and sandwiches. Last but not least, on December 10th we will all be celebrating our 50th Anniversary Holiday Party Membership Appreciation Extravaganza in Glendale at Larry Polhill's Private Collection. The remainder of events for the year are planned, don't miss out, update your calendars now. Be sure to check out our website and Facebook pages for more info and invitation information.

The 2023 PSW Zone Meet endeavors need to get rolling. A committee will need to be created to start working on location, promotions, activities, tours, and funds. Lots of work has been started from the 2020 Zone Meet, but it will still need some time and love.

We must all remember that we are part of a very unique family, a family of Studebakers. Our chapter consists of not only an extensive range of Studebaker models but also an extensive range of Studebaker owners. We must all continue to work with and encourage one another to drive our Studebakers, work on them, fix them, buy/sell them, upgrade them, and remember to keep the uniqueness alive. Thank you, Chapter members, for your continued support of me as your President and your continued commitment to our local Grand Canyon State Chapter.

NEW MEMBER CHALLENGE

When a Chapter member recruits a new member to join SDC and/or the Grand Canyon State Chapter he/she will have Chapter dues paid for 2023. Just ask the new member to mention your name on the application where it asks "Referred By".

2023 CHAPTER DUES

Grand Canyon State Chapter dues are due in December and for 2023 dues for all members will be \$20.00 yearly. Among the many benefits of Chapter membership is the newsletter and you will still have the choice of receiving it through the mail or electronically via an email. Dues can be paid by cash, check or via Pay Pal (see web site for link.)

Reminder: To be a member of the GCSC you must be a member of the Studebaker Drivers Club.

If your SDC dues are not current, please visit <https://sdc.cornerstonereg.com/> to renew. Dues are \$36.00 for one year, \$99.00 for three years or \$161.00 for five years. If you no longer wish to receive *Turning Wheels*, there is a membership option without the magazine at \$12.00 per year.

2023 Chapter Elections

The GCS Chapter will hold its election for 2023 officers and board members in November and nominations are being accepted. If you are interested in learning more about serving on the Chapter board you can contact one of the officers or a board member to learn what the job entails, then contact Ed Smith, the nominations chairman, at edcollects@gmail.com 602-290-1045 to place your name in nomination.

50TH ANNIVERSARY CELEBRATION

In December, the Chapter will have an official celebration of its 50th Anniversary. If you have any reminiscences and/or memorabilia you'd like to share at the event or with the board prior to the event, please let a board member know. Items you might share include newsletters, photos, t-shirts and other items from the past.

DRIVE YOUR STUDEBAKER DAY

By Michell Eastburn

International Drive Your Studebaker Day, Sept 10th, was a success once again with approximately 30 attendees with a total of thirteen Studebakers, one Ford, and one Hummer EV to enjoy a cool yet humid morning in Goodyear! Rudy's Country Store and Bar-B-Q offered a great venue with lots of onlookers. Members gathered in the parking lot for a bit of under the hood talk and sharing of our hobby with the many patrons out to breakfast. Most of us then gathered inside to cool off with an iced tea and B-B-Q breakfast. Winner of driver's awards were Walt Jazwinski (Daily Driver Ale and snacks) and Will Eastburn (Coca Cola Starlight and snacks). Thank you to Chris Eastburn for the special showing of the 2023 Hummer EV courtesy of Yates Buick GMC. Thank you to all those that came out to enjoy our Studebakers!

Attending were Garry Klinger (1952 Commander SLC), Will, Maryanne, Domenica, Gwen & Felicia Eastburn (1949 C Cab), Larry Polhill (1951 Land Cruiser) with guests Lawrence Silvas & Family (1963 Wagonaire) and Bronsten Bratley and Guest (1956 President), Robbie & Chantell Stevens (1937 Dictator), Luis & Debbie Cruz (1955 President), Paul & Phyllis Setaro (1962 GT Hawk), Tim Phillips (1955 Commander), Denny Lockmon (1964 Avanti), Al Riedel (1978 Avanti), Chris, Rachel & Chloe Eastburn (1963 4x4 Champ), Walt Jazwinski (1964 Lark), Bob & Carol Westfall (1950 Ford), Steve Fein, Jim Clever, Bill & Peggy Eastburn, Michell Eastburn, Fred Schlegel, Richard Gomez and Family.

MORE DYSD.....

Larry Malmstrom drove his 1953 Commander from Wickenburg to Peoples Valley prior to IDYSD on Drive your Studebaker Sunday.

**From the SDC Forum:
John Stearn, Chino Valley**

The Transtar's day started by going to breakfast, then to Safeway for some groceries. My wife and I went to Tractor Supply to pick up a new water trough for our horse, then to the hay dealer to pick up three bales of hay. After stopping back home to drop off the pay-load, we went to the Yavapai County Fair for the rodeo, where my Stude got to hang out in the parking lot with all the other red neck trucks. After that we headed home. All in all it was a great day, made better in a Studebaker!

SDC member **Warren Webb**, Seligman wrote: I finally got Rusty going Saturday morning. It ran, sort of, but didn't sound too healthy. I was able to drive from the shop into Seligman, took a couple of pictures of it in front of the big Route 66 sign next to the Chevron and headed back to the shop. I've driven it a few times this week & put some Lucas Deep Clean fuel stuff in it that seems to have helped. **Shawn Miller** had his '55 sedan out but it gave him fuel trouble, too.

Your Drive Your Studebaker Day story is welcome for the next issue.

UPCOMING EVENT

OCTOBER 23 ORPHAN CAR SHOW

Sunday, October 23rd marks the 30th annual Orphan Car Show which was formerly hosted by the Valley Roadrunners VMCCA Chapter and is now hosted by the Grand Canyon Chapter Hudson Essex Terraplane (HET) Club. The show, open to all orphans and vintage vehicles, is from 9am to 2pm at Los Olivos Park, 28th Street & Devonshire (1 block north of Indian School Rd.) in Phoenix. The cost is \$15 per vehicle before October 20th and \$20 at the gate. Participants will receive dash plaques and are eligible for door prizes and fun awards. The show benefits Sunshine Acres Children's Home in Mesa.

There is a registration form on page 13 or visit <http://www.arizonacarshow.com/oct/oct23orphan.pdf>

GCSC members who are registered for the event will receive a Chapter goody bag and all members who attend can join in a lunch of pizza, subs and drinks provided by the Chapter. A canopy and tables will be set up but be sure to bring your own chairs.

In celebration of our Chapter's 50th Anniversary as a vintage car club in the Valley, it would be great to have least 25 vehicles at the show. Spaces will be reserved so the members can park together; *please plan to be at the park by 8:30am or earlier.*

Contact Peggy Eastburn at 623-936-6116 or pegyeastburn@hotmail.com if you have any questions. Visit the Chapter Facebook page Studebakers Grand Canyon State Chapter to add this event to your calendar.

RUN TO THE PINES

The annual Run to the Pines event in Pinetop-Lakeside was held September 23-25 and Dennis Lynde and Linda Saar attended the car show with their 1963 GT Hawk.

They were among 574 other enthusiasts including the Painters with their 1953 Commander and Jim McDonald with his 1951 Commander displaying their vintage vehicles. Dennis said there were other Studes in the show, as well.

ADVERTISING AND STUDEBAKERS

It is a given Stude fans will quickly notice advertising with anything Studebaker. For instance, in the past members noted a major insurance company used a Studebaker in its TV advertising. And, just recently our president, Michell found a Flagstaff brewing company using the iconic Studebaker Bullet Nose in its advertising. Along with a bullet nose image the company extols the joy of the automobile. They write on the product wrapper: "We relish the automobile, the four-wheeled friend that takes us everywhere

on a daily basis. Your reliable old friend in the driveway takes you everywhere without complaint. Shouldn't your beer do the same? Daily Driver sure does. Inspired, Mother Road Brewing Co created a juicy pale ale for any-time delight. Enjoy when the driving is done!"

Editor's note: This story is shared for the fun of seeing Studebaker used in advertising and is not meant to promote the product.

PUMPKINS

Celtic people of Ireland were the first to carve turnips and rutabagas, which later evolved into pumpkin carving.

Pumpkins are actually a fruit.

Pumpkins are rich in Vitamin A, Potassium and fiber.

The word "pumpkin" is from the Greek word "Pepon" - meaning large melon.

The average pumpkin holds 500-600 seeds!

Pumpkins are 90% water.

Native Americans called pumpkins "isquotum squash".

Pumpkins were once recommended to remove freckles and cure snake bites.

GCSC CELEBRATES 50 YEARS!

2022 marks the 50th anniversary of the Grand Canyon State Chapter, Studebaker Drivers Club (SDC). In 1972, the SDC was itself a young organization and several Arizonans were enthusiastic members. It was only a matter of time before a group of them would arrange to assemble Arizona's Studebaker fans at a state-wide gathering. One such effort was coordinated by Ike Quigley and Gene Nagle. On February 5, 1972 they sent out the following letter.

To Arizona Studebaker Enthusiasts,

Several of us in the Phoenix area have wanted for some time to have a get-together that would give us all a chance to talk over common interests and common problems. There are at least 30 of us in the Phoenix area and well over 40 in the state including both members and nonmembers of the Studebaker Drivers Club.

None of us would own and care for a so-called "orphan" car if we didn't feel that Studebakers are something special; it's just a lot easier to buy a Chevy. For over 100 years Studebaker built distinctive vehicles, and, thanks to Avanti Motor Corporation, one is still being made. It is a tradition unmatched by any of the present look-alike makes and one worthy of our interest and efforts of preservation.

Studebaker Drivers Club, for those unfamiliar, is an international organization with over 3,000 members that keeps Studebaker owners in touch with each other for swapping cars, parts and information. The Club publishes a monthly Bulletin, where members can have free want-ads, and a quarterly magazine with technical and historical information.

We have set up a luncheon meeting at the Ambers Restaurant on Grand Avenue in Glendale (5376 Grand, just west of 51st Ave.) for Saturday, March 4 at 1:30 PM. We will have a special room, and the prices are reasonable for good food (or coffee and dessert). We sure hope to see you and (and your Studebaker) there, and by all means tell any one else you know who might be interested.

Families are welcome, as are sales literature or pictures you may have. If you cannot make it, we would like to hear from you by mail or phone, since we'll plan another meet, maybe a rally, or picnic for later on. In the tradition of the driver's car, we remain,

Sincerely yours,
Signed by Ike and Gene

After this initial get-together more followed quickly. Next came a picnic in Tucson at Rudolph Park in April, then another picnic at the Casa Grande Ruins in May.

There are more stories about the founding of the GCSC and many will be told at the December gathering on the 10th. Please plan to attend to hear them as well as highlights about Chapter people, activities and events.

Editor's note: Ike Quigley continues to be a member of the GCSC and Gene Nagle is a member of the San Diego County Chapter, which is also celebrating its 50th anniversary as an SDC chapter.

The anniversary logo is courtesy of Stuart Tritt.

STUDEBAKER PHOTOGRAPHY

by Fred Wilharm from the SDC Forum

I have a background in photography, so I thought I'd share a few tips and see if other owners want to give it a try.

1) Shooting at "Magic Hour" is a trick of the trade. Take your car to a scenic backdrop when the sun is about to set, but still splashing light on your "set".

2) Find a "set" with visual interest. Fields work great, forlorn roads too, when it is safe to do so. One of my favorites are the many recreations of vintage filling stations you see around.

3) Don't shoot everything standing up. Crouch down and make that car look long and low!

4) Try framing the car in different ways- wide, close up, even shots of body ornaments and chrome.

Take your car out tomorrow at magic hour and give it a try! These days, a camera phone is all you need.

COAL POWERED STUDEBAKER MILITARY TRUCK

Thanks to Bill Jackameit for permission to use/share this article.
<https://billstudepage.homestead.com/files/coaltrk.htm>

Steven Schultheis relates that his Grandfather, C. M. Schultheis, was an automotive engineer with Studebaker in the 1940's and 1950's. One of his projects was a coal powered 6X6 truck for the U.S. Army. The truck was used along the Alaskan Highway in the mid to late 1940's. The picture was taken in South Bend in 1945. Steven indicates that the truck

runs on coal, but he does not know if it has a steam engine, or if it uses a gasification process.

An e-mail from a reader indicates that the truck was not steam powered. Rather, it used coal gas as fuel for the engine. Bituminous coal was roasted in a chamber, and then the gasses were extracted into the engine.
